### Work Starts On Penticton's Wartime Housing Project

PENTICTON, Oct. 5.—Amid the whirr of saws, the clatter of hammers and the clean, pungent odor of freshly cut lumber, the biggest single housing project ever undertaken in Penticton this week got into active construction at the old cricket grounds where 20 houses, the first of 100 wartime housing rental homes to be built here for war veterans and their dependents are being constructed. The total cost of the 100 homes will be \$300,000.

The 18-inch excavations for the basementless homes have been completed for 13 houses.

Okanagan Construction, composed of Kenyon-Killick and J. Delamonte, are determined to keep the work going at as fast a pace as possible.

### Vernon Riding Club Elects New Executive

Major M. A. Curwen, of Coldstream, was elected president of the Vernon Riding Club at its annual meeting on Wednesday evening of last week. Mrs. C. D. Osborn continues as vice-president and Miss Phyllis French remains as secretary.

Members of the club's committee are Mrs. E. A. Randall and Hal Symonds.

Fourteen members of the club participated in the week end ride to Mrs. W. G. Adler's ranch, "Little Kingdom," near Six Mile Creek. The party rode out on Sunday and returned to this city on Monday to complete a 50 mile trip. It is reported to have been the most successful ride of the season.

Next Sunday a ride is planned down the west side of Kalamalka Lake.

So long as the weather permits, the Riding Club will hold these rides every Sunday.

Canada Carries On offers its first peacetime release "Music in the Wind," a film with an exciting story of Canadian music makers as the wartime films of Canadian men in battle.

### Last Year's Trout Derby Put \$1,219 Into Bank Account

Receipts from last season's Okanagan Lake Rainbow Trout Derby totaled \$1,221. The net receipts are \$1,219, the present balance in the bank.

The major source of revenue was from sale of raffle tickets. Vernon contributed \$1,022.00 through this source, while Kelowna paid in \$118 and Penticton \$20.00. Donations for prizes, covering the purchase of a Victory Bond and a rowboat, amount to \$210.

The major single disbursement was \$241.43 for advertising and tickets. The banquet showed a loss of \$55.41.

### Basketball Practices Promise Good Season

Basketball practices are well away.

In the men's divisions there are good prospects for senior B and intermediate A aggregations.

On Friday night about 20 girls turned out for their first workout and the indications are that there will be at least two girls' teams here.

Information on valley basketball organization should be forthcoming at the end of this month.

### Okanagan Lake Fishing Expected to Improve With Colder Weather

So far this season by far the greatest percentage of entries in the Okanagan Lake Rainbow Trout Derby has come from the southern part of the valley. At the present time Kelowna anglers are leading in numbers with a good showing in weight of fish caught.

The largest fish caught in Okanagan Lake during June was registered by O. Nichol, of Penticton. In July Herbert Keating of Peachland turned in a report on a 15 pound, half ounce prize which so far leads all entries for weight.

August was the best month for entries with 21 on the books. The fish during that month ranged from 14 pounds, eight ounces to five pounds, one ounce. George Stoll, of Summerland, is credited with the top entry.

The number of catches slackened off in September. C. M. Horner, of Kelowna, recorded a 14 pound, three ounce top liner. There were only six others.

The Derby fishing for Kokanee in Woods Lake ends next Monday, October 15. Greater interest in this lake is reported now that the Kokanee have started to run. In the official list of statistics received from Kelowna this week there is just one catch recorded for Woods Lake.

Frank Becker, the Vernon representative to the Derby Association, states that it is anticipated there will be greater entries from the north end of the lake from now on. As soon as the Kokanee run has ended the big fish will start looking around for feed and then the anglers' lures will regain their attraction. Also as the colder weather continues the big fish will start coming up from the bottom of the lakes.

A committee meeting of Association officials was held in Kelowna last week. It was decided to emphasize that the purpose of the Derby is to raise funds for the extension of fish protection and their propagation. It is not just an excuse to give anglers extra reward for their sport.

There is still four months to go before the competition closes so when the big fish start biting steadily the interest should climb.

### H.A. Nolan Takes Golf Club Title

Entries in the play for the Golf Club championship this season were not particularly heavy but despite that the play was the keenest that has been seen on the course for some time.

On Thursday afternoon of last week H.A. Nolan took the crown in a close contest with Jim Douglas. The game went the 18 holes and it was the 18th hole that decided the issue.

Nolan was four up with four to play when his opponent settled down and took the next three holes in a title chasing rally. Douglas couldn't sustain the pressure, however, and Nolan edged him out on the 18th green to take the match two up.

Both golfers were very pleased by the game. There were no records broken but the play was good and the course is in better shape than it has been all year. The greens are very true, which has made recent games a good deal more interesting. Jake Mutas, who recently resumed the job of caretaker at the course, is given the credit for the improvement.

George Bernard Shaw went to school for only five years, yet in spite of his lack of formal education he was awarded the highest honor that can be bestowed upon any author, the Nobel prize for literature.

The rhinoceros is dull of sight, but its hearing and scent are very acute.

The British War Office issued Mulberry, the model of the British built harbor used in the Allied liberation of Europe, for its present Canadian tour because the floating port would never have been attempted had it not been for the lessons learned at D-Day.

Rev. O. Schier, candidate for North Okanagan.  
Come and Hear These Speakers on Social Credit

**F**OR a century—since Caulfield Anderson slashed the first trail through the canyons between the Fraser and the Similkameen country, the people of the Interior and the Coast have sought and worked for the Hope-Princeton Highway.

Now—on October 1st, 1945, tenders for its construction were opened in Victoria, where the Provincial Government is squarely on record with its pledged word to rush the re-surveyed road to earliest possible completion.

Four-fifths of the people of British Columbia will be served by and enjoy direct benefits from this great highway's construction.

The fruit growers of the Okanagan can ship their most perishable products with over-night connection to Coast markets.

It opens up a tourist paradise for development—a scenic area of already established game reserves—the glorious mountain playground of Manning Park—and brings more than a million dollars a month in mining and other payrolls to be spent in British Columbia instead of over the border—it brings the Coast and the Interior together to the advantage of both for the first time since British Columbia became a province. It will end isolation forever.

This message of interest to all residents of British Columbia is sent to you as a public service undertaken by

### Lawn Bowling Season Ends; Play Continues

The Vernon Lawn Bowling Club officially closed its season with play on Thursday afternoon and evening of last week. There was a good entry of local rinks with a number of visitors from other valley clubs.

The weather was perfect and the greens were in tip-top condition. It was an excellent finale to one of the club's best seasons.

The prizes for the afternoon play were won by the rink skipped by J. Martin. His partners were A. Michelson and Mrs. G. Thompson. Runners-up were C. B. Lefroy, skip, E. Winstanley and Mrs. F. Henschke.

The evening play was topped by J. Briard's rink with A. Brand and E. Henschke as members.

After the afternoon games a supper was served in the clubhouse by the members of the ladies' committee. They also served refreshments at the close of the evening's play. At that time remarks were addressed to the gathering by the president and the committee to officially end the season.

Officially closed or not, bowling has not actually finished for the season. So long as weather is favorable there will be games played. On Monday members of the club took advantage of the holiday and the weather to play during both afternoon and evening. By present indications, the lawn bowlers will be going until Christmas if they are given half a chance.

### No Time Yet For Efforts to Flag

Mrs. J. L. Savage, chairman, War Services Committee, National Council, Y.W.C.A., Toronto, and Mrs. Gordon Miller, Y.W.C.A. Supervisor, were honored on Tuesday afternoon at a tea at Orchardleigh Lodge, Coldstream. The visitors are on a Canadian tour, checking up on the War Services projects of the Y.W.C.A., of which the Vernon Hostess House is one.

The lounge at Orchardleigh was decorated with a profusion of fall flowers, where Mrs. E. B. Robinson, Vernon Y.W.C.A. Hostess, received about 40 guests, friends of the project in this city.

Mrs. G. O. Tassie and Mrs. R. A. Davidson presided at the urns, the table featuring colorful arrangements of fall flowers. After tea, Mrs. Savage expressed her appreciation of her welcome, and of the work being done in Vernon. She told her audience to "go along for the rest of the way."

### POULTRYMEN!

A new plant is now open for business. We offer poultrymen a modern service with cold storage chambers and blast freezer second to none in the interior of British Columbia. We have capacity to handle all eggs and poultry originating in this territory and will pay cash for same as soon as they are graded. We shall be glad to meet old friends and new at our plant, corner of Mission and Coldstream Streets. This plant means much to the well being of the poultry industry in the Vernon area. We urge poultrymen to take full advantage of the facilities provided. Mr. Kenneth Sproule is Plant Superintendent. . . . come in and meet him or Phone 365 for date for your birds.

## Story Told Of Midnight Jeep Crash

The inquest into the death of Mary Brown was concluded last Friday afternoon. The coroner's jury brought in a decision that she had died as the result of injuries received in the accident involving an army jeep on Friday, September 28.

The first witness to appear before the coroner was J. O. Brown, who testified as having seen her in the Vernon Jubilee Hospital after the accident.

### Internal Injuries

Dr. H. J. Alexander appeared as the medical witness. He stated that an operation had been performed after the girl's admission to hospital. He said that cause of death had been severe damage to the liver.

Harry Anderson, Dominion photographer, was called to identify photographs he had taken at the scene of the accident for the B.C. Police. These were admitted as evidence.

Freda Kowalski, one of the passengers in the jeep when it overturned, appeared in court to give her version of what had happened. She had been confined to bed at home from the time of the accident as the result of injuries received.

She was obviously still suffering from the effects of these injuries when she appeared in court and had to be helped to enter the stand.

She stated that Pte. Homer Anger was the driver of the vehicle and that Mary Brown had ridden in front with him. She rode in the back seat with Pte. V. J. Harper, the other passenger.

She said that they had driven north to Leavenworth and then turned around to return. Reaching what had happened just prior to the accident she said, "I saw a truck coming. After the truck passed, it didn't give much room, the jeep started to sway and then tipped over. I remember no more."

On being questioned she said that the accident occurred not long after the truck passed.

After the accident she said that while she was lying on the ground she couldn't talk at first. Then she got up.

Brought To Vernon  
"Mary started running down the road. Then she came back and fell down. Harper stayed with her while Anger and I started down the road. We were over to get someone to help. We were overtaken by a car which had picked up Mary and we got into it and were brought to Vernon."

Pte. Harper was the next witness called. He stated that the jeep had just rounded a corner when he saw the other vehicle approaching. Anger moved over to the right to give it room and then tried to get back to the road. "The next thing I remember is getting up off the ground," he declared.

E. Bradley, of this city, was called to testify that he had picked up the injured girl and a few minutes later the other two had driven them to Vernon. Harper remained with the jeep. Mr. Bradley stated that the Kowalski girl was taken to her home, the accident was reported to the Provost Corps and then Mary Brown was taken to hospital.

Jeep Upside Down  
Cpl. J. R. Kennedy and Constable Andrew Calvert gave evidence based on their investigation of the accident after it had been reported. Kennedy went out to the scene immediately. He found the jeep upside down. It was turned over and driven back to this city.

Constable Calvert stated that he measured a tyre burn on the pavement 55 feet in length. Two converging burns 27 feet in length to the edge of the road. There were then skid marks on the side of the road 11 feet in length and then no marks for 12 feet to the point where an oil stain was found, marking the point where the jeep had finally come to rest.

On the rock at the side of the road there were scuff marks, broken glass and what appeared to be blood.

He stated that it was his opinion the first "had been" made by the vehicle side slipping and that it had been travelling at that time on two wheels.

Constable Hayward, of the B.C. Police, Armstrong, testified to investigations made at the scene of the accident.

## With Full Hearts, Vernon People Kept Thanksgiving

Vernon's first peacetime Thanksgiving in six years was a bounteous one. With full hearts citizens gave thanks for the blessings of the past year; for peace to the world and for a plentiful harvest.

Uncomparable autumn weather was enjoyed over the weekend which, with the increased gasoline ration, made for more travel on the highways than has been experienced for some years. Many citizens went off on hunting, fishing and pleasure trips; again residents of other districts made Vernon the mecca of the holiday weekend.

Packed congregations filled the Vernon United Church on Sunday which celebrated its annual Harvest Thanksgiving. Appropriate music was rendered by the choir under Mrs. Daniel Day with Mrs. G. W. Gault-Stevenson organist. Communion service was incorporated in the morning worship. Rev. Gerald W. Payne presided. Other churches featured Thanksgiving in their services and worship, with special hymns and anthems.

Thanksgiving in the truest sense of the word dwell in those homes which have welcomed loved ones returned from Europe's battle fronts. A few arrived on Sunday morning. It was perhaps the happiest Thanksgiving ever known for a large number of people throughout the district.

Packed food stores indicated that tables were well laden. Practically every firm in the city closed on Saturday, not re-opening until Tuesday morning. Schools were closed for a long weekend; City Hall, Courthouse, Government offices, Banks all closed their doors for Thanksgiving. The Post Office wicket was open on Monday from 11 a.m. to noon only.

Bus and train travel facilities were practically booked up, and hotels were full.

## Response For Clothes Excellent

Vernon committee for the National Clothing Drive states this week that the public of this city and district are responding splendidly to the appeal for cash and clothes. These are allocated to Europe to alleviate the sufferings of its peoples during the winter just upon them.

Children from the Elementary and High Schools contributed two and one half tons of clothing, books and shoes last Friday. In exchange, they received free tickets to special performances at the two theatres on Thanksgiving Day.

Yesterday, Wednesday, three tons of clothing were shipped from Vernon. The articles sent in are in wonderful condition, states Miss H. Cryderman, chairman. Furthermore they are warm and just what is required. Everything donated is shipped.

Mrs. A. W. Howlett and Mrs. J. S. Brown are in charge of the Shipping Depot, the former, Recruiting Office at 100 Bernard Avenue, which is stacked to the ceiling with bales.

The committee asks that contributors make a definite effort to get their donations to the main depot or sub depots by the end of this week. The drive concludes on October 20, but is it desirable to get shipments away as soon as possible, as the clothing is badly needed.

### Resident Of 30 Years, Emil Henschke, Dies

Funeral services were held Monday afternoon from Peace Lutheran Church for Emil Henschke, a resident of this city for the past 30 years, who died at his home here on October 6. Rev. J. Propp conducted the service.

He was married on January 7, 1904, and in 1907 he and his wife and four children came to Canada. They settled first on the Prairies, at Neudorf, Saskatchewan, but moved to this city in 1915.

Besides his widow, Mr. Henschke is survived by three sons, Felix, David and Emil, all of this city, and four daughters, Mrs. Jack Pierce and Mrs. S. C. Spurgeon, of Vancouver, Mrs. Nelson Huckle, Revelstoke, and Miss Irene Henschke, of this city.

## Two Witnesses At Public Inquiry Sitting In City

Two witnesses appeared Thursday morning before the A. J. Cowan Commission, re Public Inquiry into Assessment Life Insurance Societies. They were Mrs. Anna M. C. Nuyens and Arthur Alfred Legg, both of Vernon. Mrs. Nuyens required reassurance as to the soundness of the Western Mutual Benefit Association, particularly in redoubling of assessments. She was told the Society had 6,504 members as at the end of 1944.

George F. Cameron, Counsel for the Commission, assured her, answering a question, that secretaries of Societies were endeavoring to conduct their business in a proper manner.

Mr. Legg is a member of the Providence Mutual Benefit Association. His wife, Ada Legg, also belongs, both joining approximately 23 years ago. He wanted clarification of advance assessment fees. He was told that these were necessary to reimburse assessment funds of the Association, and were in reality payments in advance.

The Commission adjourned at noon Thursday and re-convened Friday in Penticton.

## Russian Chorus To Perform In Kelowna

Sponsored by the Kelowna Junior Board of Trade, the Don Cossack Chorus and dancers make their only appearance in the Okanagan in that city on Sunday and Monday, October 21 and 22. Serge Jaroff is conductor.

Called the chorus "alert little leader" Mr. Jaroff evokes vigorous applause by the superior qualities of its singing. A rich fund of deep religious fervor, irresistible humor, vitality and exuberance awaits the audience, which will include a number of Vernon people. The chorus is comprised of 32 singers, all giant Muscovites.

Their rhythms move with the drift of songs in their repertoire, lumbered with bent boatmen, chuckled with gay gypsies, beat tartly with Kuban blacksmiths.

They are celebrating the twenty-fifth anniversary of their founding by choromaster Jaroff in a military camp near Constantinople in 1920. They are Russian to the soles of their shiny boots. Some years ago they dispensed with their Cossack beards. Their current tour, embracing 125 concerts, opened with two appearances at the Metropolitan Opera House in New York.

## Conviction Follows Charge Of Exceeding Rental Ceiling

Under Wartime Prices and Trade Board regulations, Adam Baron was charged in court here on Wednesday of having charged rental in excess of the maximum set. He pleaded guilty through counsel, Gordon Lindsay, and was fined \$15 and costs.

The prosecution was in the hands of C. W. Morrow, Magistrate William Morley presided.

## To the Electorate

K. C. MacDonald  
Coalition Candidate for North Okanagan

It is a matter of regret to me that I have not found it possible to be in North Okanagan Constituency in the opening stages of the present election campaign. Perhaps misunderstanding can arise and I am therefore venturing to offer a word or two of explanation—and also of thanks.

The simple fact is that my strength became somewhat tired lately. I hope I do not seem to be unduly drawing attention to my own efforts if I add that they have been more than usually onerous in recent months (for I quite fully realize that everyone has had his share of extra work in these trying days), but the result was that I became thoroughly tired. I am now having a rest in hospital and already feel immensely better. My health otherwise is as ever. And I am looking forward to being in the constituency in the latter part of the campaign.

This message is primarily to express my appreciation to all those who have so splendidly come to my aid during this period. To those who have joined together so wholeheartedly in all phases of the necessary organizational work, and in the holding of various meetings, I should like to offer my deepest gratitude.

Thanks to you all. I hope and expect to be with you shortly.  
Yours sincerely,  
K. C. MacDonald.

## Town and District

J. T. Young, of Penticton, was a visitor here during the week.

Mrs. Nic Murchie of Vernon, left on Monday for Vancouver, where she is spending a week's holiday.

Mr. and Mrs. Albert Desmarais and Mrs. C. Gagnon of LaPloche, Sask., are visiting Mr. and Mrs. O. Desmarais and family of Vernon.

Mr. and Mrs. Vernon English of Mission City were guests of Government Agent and Mrs. E. F. Little for Thanksgiving weekend.

Felix Henschke and A. F. Wilbee have been re-appointed for further term on the Civic Arena Commission.

O. J. Coptthorne, Unit organizer, 9th Victory Loan, spent Thanksgiving week end at his home in Vancouver.

Mrs. G. Windate, of Calgary, is supplying as Associate Hostess at the Y.W.O.A. here for the present. She arrived in the city last week.

Mrs. Roderick MacLeod, of Malfort, Sask., is the guest of Mrs. H. A. McEwen, Girouard Street, this city.

Pte. Reuben F. Galle has returned to Dundurn, Sask., after spending 20 days leave with his parents here.

Mr. and Mrs. A. A. McDonald left Vernon for their home in Moose Jaw on Thanksgiving Day after a short holiday spent at the home of Mrs. W. B. Harris.

Les Pope is at present visiting in Vancouver. He represented the Vernon Klansmen Club at a meeting of the District 5 Council in the Coast city on Sunday.

Gunner Victor Bulwer, stationed at Colwood, Vancouver Island, arrived in Vernon on Saturday to spend Thanksgiving week end with his wife here.

Mr. and Mrs. Harold Cochrane and baby son, and Mrs. E. E. Brissett left on Thanksgiving Day for their home in Penticton after visiting for several days with Mr. and Mrs. C. A. Bristow of this city.

Pte. Pat Boulding, R.N., CWAC, of Penticton, has been posted to the Vernon Military Hospital as Pathologist. She arrived a few days ago, and is staying at the Y.W.O.A. Hostess House, Seventh Street.

J. H. Smethurst, provincial manager of the Excelsior Life Insurance Company, was a visitor in this city for three days this week. He renewed a number of acquaintances while here.

LAC. Michael Corrigan spent the long week end at his home in this city. He returned to the Coast Monday night to complete arrangements for his discharge from the R.C.A.F.

After 13 years on the staff of the Vernon Jubilee Hospital, Miss Alma Langstaff is resigning on October 15. She will be leaving the city. Last evening, Wednesday, the nursing staff of the Hospital honored Miss Langstaff at a party.

W. H. Robertson, provincial horticulturist, visited in this city last Friday while on his return to the Coast after having made a routine business trip through the Kootenays and the southern Okanagan Valley.

Most Rev. W. R. Adams, Archbishop of Kootenay, Rev. Canon H. C. Gibson and P. S. Sterling attended the bi-annual diocesan executive committee meeting held in Kelowna yesterday, Wednesday. H. J. Bawtree was delegate from St. George's Church, Enderby. The meeting was attended by Very Rev. R. H. Waterman, Dean of Niagara and organizer of the Anglican Thankoffering Fund.

Mrs. O. W. Hembling and her daughter, Mrs. W. A. Thom left on September 28 by car for Seattle, where they attended the funeral of the former's aunt, Mrs. F. S. Hart, who passed away at the age of 88. Mrs. Hembling and Mrs. Thom returned on Saturday of last week.

Miss Betty Jane Shillam left on Tuesday evening to return to her home at the Coast after having spent 10 days as the guest in this city of Mr. and Mrs. L. E. Gray. Miss Shillam was to leave at the end of this month for Hilo in the Hawaiian Islands.

Regarding the news item carried last week that ripe raspberries were to be had in a Vernon garden, J. P. Both has written The Vernon News that, frost permitting, raspberries can be picked at his nursery through October and into November.

Jim Anderson has returned to his home in this city after having secured his release from the army. He expects to return to the Coast as soon as arrangements can be made for him to start studying radio and electronics at Technical School.

Newcomers to Vernon are Mr. and Mrs. J. Strachan and family of Gladstone, Man. Mr. Strachan has recently received his discharge from the R.C.A.F., where he served as instructor for three and a half years. He has now joined the sales staff of McLennan, McPeely and Prior, Vernon, Limited.

Miss Marion Baverstock, R.N., is spending a month's vacation with her parents, residents of BX district. Her guest is Miss Jean Webster, formerly of Bolivia. Both girls have just finished three years training in the Vancouver General Hospital, passing with first class honors.

WO1 Charles Crozier has returned to Canada from overseas where he served with the R.C.A.F. He is at present visiting with friends in Eastern Canada but is expected to arrive in Vernon at the end of this week according to word received by his parents, Mr. and Mrs. J. Crozier.

Sgt. W. Acres, of the 12th Field Ambulance, R.C.A.M.C., has arrived back in Canada from Holland. He is expected to return to his home here at the end of the week. Mrs. Acres and their daughter, Glenny, are leaving today, Thursday, for Kamloops, where they will meet him.

Sgt. Robert Halko, whose wife, the former Miss Joan Bennett resides with her father in this city, is expected to arrive in Vernon this week. Sgt. Halko crossed on the Ile de France with the Seaforth Highlanders. Prior to enlistment he was employed at the Vernon Box and Pine Lumber Company Limited.

Mr. and Mrs. Judson A. Bellnap, who have been visiting the latter's parents, Mr. and Mrs. J. Fred Simmons of this city, left for the Coast by car last Sunday. At present they are visiting Mrs. Bellnap's sisters, Mrs. Godfrey Archibald and Lt. N/S K. H. Simmons in Victoria before proceeding to their home in Long Beach, California.

After almost two months visit at the home of their parents, Mr. and Mrs. John Galle, Mrs. P. A. Durnen left Vernon last Friday for London, Ont. She met her husband in Calgary, and they travelled together. The couple intend to make their home in Ontario when Mr. Durnen receives his discharge from the army.

Former Vernon friends of the Sheldon Turner family will regret to learn of the death of Squadron Leader John Charles Sheldon Turner, R.A.F., as the result of an accident on September 12. S/L Sheldon Turner's father, the late B.C. Sheldon Turner, was one of the pioneer residents of the Coldstream. He returned to the Old Country about ten years ago. S/L Turner, who was 32, joined the R.A.F. at the outbreak of war and had served continuously. He was the youngest surviving son and is himself survived by one sister, Mrs. Roger Turner, and his wife and son, aged six.

Leslie Smith is expected to return to his home in this city today, Thursday, after having secured his release from the R.C.A.F.

Miss Barbara Godfrey spent the Thanksgiving holiday at her home here. She left on Monday to return to Princeton where she is teaching school this winter.

Lt. Carl Wylie was a visitor to his home in this city last week. He left on Sunday to return to his unit at Vancouver. Since then his wife has received word that he has been posted to the Vernon Military Camp and will arrive here today, Thursday.

Mrs. Charles F. Prior of Vancouver left for her home on Thanksgiving Day after being the guest of Mr. and Mrs. C. A. Bristow of Vernon for a week. She attended the wedding of her son, Charles H. Prior, and Opl. Marjorie Thomas, O.W.A.C., in Vernon on October 2. Mr. Prior, the groom's father, and Mr. Prior, the groom's father, left after the ceremony for their home at the Coast.

Mr. and Mrs. Frank Boyne, accompanied by Mrs. Tom Harrison, returned last week from two weeks' motor trip through the Cariboo and as far north as Fort St. James. They were accompanied north by Mrs. Dan Rotter, who joined her husband at Williams Lake, where they have their home. Mr. Boyne has brought back enthusiastic reports of the duck and geese shooting in the Cariboo.

Arriving home on October 7 after three years service overseas with the R.C.A.M.C. was L/Opl. William Stanley, whose mother is Mrs. W. Stanley of this city. A coincidence was that the last Sunday of the third anniversary exactly of his landing in Liverpool in 1942. Born in England, L/Opl. Stanley came to Vernon with his parents at the age of three, and he grew up in this city and the Coldstream district. He saw action in Sicily, Italy and Holland, and was on the Ile de France with the Seaforth Highlanders. Prior to enlistment he was employed at the Vernon Box and Pine Lumber Company Limited.

Mr. and Mrs. W. R. Pepper and Marjorie Pepper drove to Kamloops last Wednesday night to visit briefly with David Pepper, who is playing with Bert Niosi's orchestra on its tour of Western Canada. David Pepper is studying dentistry at university in Toronto and during the summer has been playing in Bob Gimby's band at Brant Inn and acting as the band's arranger. He joined the Niosi organization as trombonist for the western trip. At the week end Marjorie Pepper joined his brother at Penticton and travelled with him to Nelson, returning to this city Wednesday night.

Arriving home on Sunday morning was Signaller J. R. Gaythorpe,

If It's Men's Clothing, Shoes or Furnishings... It's the Best Store in Town!

a native son of Vernon, who has seen three years service Overseas. He joined his wife at the home of her parents, Mr. and Mrs. A. S. Nelson, of this city, and made acquaintance with his 2 1/2-year-old daughter, Mary Elizabeth ("Bandy") for the first time. Sgt. Gaythorpe's parents were Mr. and Mrs. H. Gaythorpe. His father died here some years ago, and Mrs. Gaythorpe now resides at Chilliwack. Prior to enlistment, Sgt. Gaythorpe was an employee of the Okanagan Valley Co-operative Creamery where he was a buttermaker. He landed in Sicily on the first day of the invasion, and saw service subsequently in Italy and Holland. Sgt. Gaythorpe is now on 30 days leave, at the expiration of which he expects his discharge. He crossed on the Ile de France, and detained at Kamloops, where he was met by an army truck.

Tpr. David Simpson returned to his home in this city last week after three years overseas with the 28th Canadian Armored Regiment (B.C.R.). He joined the Rocky Mountain Rangers in 1941. He went to Camp Borden where he took a driver-mechanic's course and went to England in May of 1942. There he joined the 28th. He was stationed for two years in southern and eastern England and crossed the Channel to Normandy on July 22 of last year. He was with the regiment through the Battle of the Falaise Gap when the outfit lost 58 tanks. After reorganization the regiment drove through France to the Leopold Canal and into Belgium. He went through the fighting in Belgium and Holland and into Germany. His wife will join him later.

## Red Cross to Benefit From High School Fair

The Vernon High School has preparations completed for the third annual Red Cross Country Fair to be held tomorrow afternoon and evening, Friday, October 12. The entire proceeds will go to the Junior Red Cross Society. The affair is the combined effort of every Vernon High School student and teacher.

It is an oft repeated slogan that no fair is worth the name without draws. There are two big events in this line, a Grocery Hamper, in charge of Grade XII, and a Turkey, in charge of Miss M. Irving, are waiting some lucky ticket holder. In the hamper, it is rumored, is a good fat chicken. There's a chance for someone to save a ration coupon too!

Always the first booth to sell out is the Home Cooking stall. Bread, buns, cakes, pickles and other dainties from the 'homes' of students find a ready sale. Everything is donated, so all cash is clear profit for the Red Cross.

One of the biggest projects is the fruit and vegetable booth, with dressed fowl, eggs, and bulbs in addition. Customers have put in their entire stock of winter fruit and vegetables from the past two fairs, and this is a very popular money-making corner. Again, everything sold is a gift from someone who has the cause of the Red Cross near their hearts.

Some teachers and pupils assist-

ing in arrangements will wear overalls, bright shirts and straw hats. The School basement will be decorated in keeping with the Country Fair.

There will be games of chance such as Bingo, Darts, Ring Toss and Ball Games.

When the excitement of the fair begins to get patrons "down," there will be afternoon tea to refresh them.

Other booths will feature superlatives, toys and novelties. The Red Cross girls, who have made everything from a kiddie car to a handy kitchen gadget reminds all friends that it is only 74 days until Christmas, so start getting gift lists filled.

Then there is the stall for gardeners, where plants, bulbs and perennial cuttings will be for sale. In the afternoon and evening there will be a concert in the School Library, with students taking part. This is under the direction of Jim Wells, High School music teacher.

## Winter Season At Oyama Opens With Big Dance

OYAMA, Oct. 8.—Upwards of 100 people from outlying districts and some Oyama residents enjoyed a very nice dance in the Community Hall on Friday, October 5. Oyama Orchestra, assisted by Miss E. Jamieson, violinist, of Vernon, and Charlie Annis, banjo player, supplied music for dancing between 9 p.m. and 2 a.m. Coffee and buns were served about midnight.

Mr. and Mrs. R. Flavell have gone to Summerland for a time to be with the latter's brother, Jack Towgood.

Mrs. A. R. Lett left last week for Pembroke, Ont., where she was summoned owing to the illness of her father.

Misses Beth Stott and Charlotte Moodie of Penitence, spent the week end with Miss H. Dewar.

Mr. and Mrs. J. Trewitt, residents of Oyama for over 20 years, have moved to Okanagan Landing, where they intend to make their future home. Their son, Arnold Trewitt, with his wife and child, have taken over, and are living on, the ranch.

L/Cpl. E. J. Remsberry spent last week end in Oyama with his wife and son.

A Young People's Service will be held in St. Mary's Church on October 14 at 11 a.m. This is in place of the regular Youth Sunday to be observed throughout the Continent on October 21.

Mrs. O. W. Hembling and her daughter, Mrs. A. Thom of Vernon, have returned from a short visit to Seattle.

Mr. and Mrs. W. Holland are being congratulated on the birth of a daughter in the Vernon Jubilee Hospital on October 8. Mr. Holland is stationed in Ottawa.

Mr. and Mrs. Roy Endersby have recently received word that their son, Roy, has been promoted to the rank of Corporal in the United States Army, also that he is on his way to Japan. He will be attached to Division Headquarters on Shikoku Island located in Koochi, on the Japanese home island. Interesting to note is the fact that the men have been supplied with field jackets, ski boots, parkas and sleeping bags in preparation for occupation in a cold country.

## Tampering with Constable's Car Is Not Healthy

There is no future in tampering with a police constable's car. Ptes. G. L. Bascom, G.O. Blade and A. A. Bertie found this out.

They appeared in City Police Court Tuesday morning charged with wilful damage, pleaded guilty and were each fined \$20 and costs. In addition Bascom was ordered to pay for the repair of damage done to the car, five dollars worth. Constable Arthur Smith, was standing outside the National Hotel at about 11:30 Saturday night when he noticed that across the street his car was the centre of attraction for three soldiers. He went over to see what was on their minds and found that Bascom had forced a door handle. His companions were more than interested spectators.

This did not please the constable and he took the three men into custody.

In police court Bascom said that he and his companions were on their way to the dance at the Arena when he saw the car. He told the other two that he could break the handle of the door. He did.

His explanation was that he was showing off. Magistrate William McInnes told that this was hardly a satisfactory excuse. Consequently fines were imposed. The alternative to payment of the fines was two months imprisonment.

## New Rural Dean of West Kootenay Well Known Here

Most Rev. W. R. Adams, Archbishop of Kootenay, announces the appointment of Rev. W. J. Silverwood, Rector of the Church of the Redeemer at Nelson, to be rural dean of West Kootenay. This comprises the Kootenay Lakes, Rook Creek and the Arrow Lakes. Mr. Silverwood, who was at one time vicar of Grand Forks, is well known in Vernon, having visited here on several occasions. He was appointed to the Church of the Redeemer in 1932.

## Winfield Man With Seaforths

WINFIELD, Oct. 8.—Mr. and Mrs. W. W. Hart, accompanied by Mrs. Les Hart, motored to Kamloops on Sunday to meet Pte. Les Hart on his return from three years' service overseas. He arrived at Kamloops aboard the Ile de France. He is a member of the Seaforth Highlanders.

Cpl. George Berry arrived home on Tuesday from Vancouver, where he has been a patient in the Shaughnessy Military Hospital. Cpl. Berry was taken prisoner of war at Dieppe and was released in May of this year.

Mrs. J. Hayes and baby daughter arrived in Winfield last week after visiting with Mrs. E. Clement at Banff.

Mr. D. McLeod and family, of Penitence, are recent visitors at the home of Mr. and Mrs. I. Johnson.

Thirty-three pupils attended the dancing class in the Winfield Community Hall, Friday afternoon under the supervision of Miss Pratt, of Kelowna. Audrey Shelley, president; Margaret Mitchell, secretary; Norma Cook, treasurer; Lois Duggan and Joan Mitchell, directors.

Mrs. B. Frelsen has had the misfortune to break her wrist.

Owing to Mr. Wyatt's illness, a substitute is delivering the mail.

Mrs. I. Johnson recently visited her sister and brother-in-law, Mr. and Mrs. Don McLeod, of Penitence.

Junior W.I. Meets

The Junior W.I. had their first meeting for the season at the home of Mrs. G. Shaw on Friday evening. Officers were elected for the coming year. They are: Mary White, president; Nan White, vice-president; Margaret Mitchell, secretary; Norma Cook, treasurer; Lois Duggan and Joan Mitchell, directors.

Gladya Webster was the guest speaker at the C.C.F. meeting held in the Community Hall on Friday.

Mr. and Mrs. Art Pollard, Jr., have taken up residence in the house formerly owned by Charlie Davidson.

Mr. and Mrs. Bill Goffie, of Okanagan Centre, are receiving congratulations on the birth of a son in the Kelowna General Hospital.

Mr. and Mrs. R. R. McDonagh, Mrs. Eunice McDonagh and Laurence Barger were recent visitors to Mabel Lake.

## Photographic Studio Latest Theft Victim

Another Vernon store has been broken into. Sometime after 2:30 a.m. Tuesday morning thieves entered the premises of Kermode's Photographic Studio.

The burglars forced a window high off the ground at the rear of the store. They climbed high off the ground at the rear of the store. They climbed over the top of the studio's dark room and entered the main part of the building.

Photographs were scattered, a quantity of cash was taken as well as sundry items from the stock of the store. Included in the loot was a small camera.

Police report that who ever entered the store had steel plates on the heels of their boots.

Cpl. A. J. Pomeroy, B.C. Police, states that the building was easily entered as there was not adequate protection over the window forced.

So silky-fine—So flattering

*Dorothy Gray*

PORTRAIT FACE POWDER

• Exquisitely fine face powder to lend an even-toned, velvety look to your skin. Spreads lightly... never gives a "chalky" look. Choice of shades, \$1.25.

FINISHEEN—a luxuriously smooth foundation... gives your skin a warm, youthful sheen. Helps make-up cling longer. A glowing shade, \$1.25.

**Dorothy Gray Company**

# City Band Plans for New Instruments and Music

A committee meeting of the Vernon City Band was held last Friday evening. At that time it was decided that new instruments should be ordered so far as funds on hand allowed. Also a quantity of new music was ordered.

It is expected that band rehearsals should start in a month if present plans develop. There are now 17 members in the band and as soon as those who are without instruments are supplied with them there is nothing to hinder the organization's program.

A. G. Downing reports that the band is doing what it can with the funds available. The cost of securing instruments is high but they must be secured if the band is to operate successfully.

The supply of music on hand is good although much of it needs sorting and repair. Interest is excellent and enthusiasm for this year old musical organization is rich.

## Postmaster

(Continued from Page One)

"There was no Seventh Street entrance to the town in these days," he reminded. "The old Hamilton road was the entry from the North."

"Mail came into the town on the railway three times a week: Mondays, Wednesdays and Fridays, and went out on Tuesdays, Thursdays and Saturdays."

Some drawn stages carried the mail to the south. He recalled when Jim Scott purchased the first automobile mail carrier. "It was a very showy conveyance. It looked more like a fire truck than a stage. It was red with polished brass rails."

Mr. Scott had trouble with this new automobile. He had been used to a team and when he wanted to stop the new carrier he would yell "Whoa" but forget to apply the brakes. He made quite a habit of going over the banks of the district's roads. He was badly hurt only once in these incidents but even now his mind is sufficient to bring forth a colorful inventory, Mr. Lefroy declared.

Mr. Lefroy has five sons in the armed forces in this war. Arthur Lefroy and Walter Lefroy have just recently returned to Canada from overseas. Francis Lefroy is serving with the Royal Australian Air Force and Colin Lefroy is with the R.C.A.F. at Sydney. Ben Lefroy recently received his discharge from the R.A.F. with which he was a squadron leader. His eldest daughter is head of the Red Cross in Khartoum.

Mr. Lefroy served overseas in the last war. At the close of the war he was Transport Officer for No. 6 District in France.

## Increase in Coupon Values Of Some Cooked Meats Today

As from today, Thursday, when M-8 coupon becomes due, there will be a slight increase in the individual meat ration. Cooked meats, such as meat pies, meat loaves, wieners, and bologna are some of the items of which a larger amount can now be obtained per coupon. Uncooked meats of which there is to be an increased amount per coupon, include beef, veal and lamb flank with bone in.

## TENDERS

Will Be Received by the undersigned up to 5 p.m. Monday, October 15, for 140 Round Fence Posts, 6 ft. long, 6-in. top by 8-in. butt.

J. W. Wright, City Clerk.

## 1945 Thanksgiving Memorable One For Falkland People

FALKLAND, Oct. 10.—Bright, warm sunshine, and the autumn colors of hawthorn, birch, and poplar, interlarded through the green of fir and pine, made this a most memorable Thanksgiving in this little valley.

A spirit of deep thanksgiving, so deep it could almost be felt, given tangible utterance in the prayers and hymns, was evidenced in both the Anglican and United Churches Sunday, as congregations assembled to thank Almighty God for the return of loved ones, and the blessing of bounteous harvest.

Both churches were decorated with autumn foliage, flowers, fruit and vegetables. Rev. W. W. Kirksey officiated at the Anglican Church, and Rev. W. Selder at the United Church. Mrs. Bragg of Enderby was soloist at the latter service.

## Leases Obtained By Standard Oil Below Canadian Border

Standard Oil Company of California is obtaining oil and gas leases covering approximately 25 square miles in Whatcom County, Washington, and will drill a well in the area next year. This information was received recently by R. D. Baker, President and Managing-Director of Standard of B.C.

The oil company last fall made a geological survey of this region, located between the towns of Blaine and Ferndale, just below the Canadian border. The area is subdivided into small farms and dairies involving approximately 700 landowners.

## Exhibitions of Paintings Coming To Vernon Soon

The Vernon Travelling Exhibitions Committee are sponsoring three exhibitions of painting this winter.

These pictures will be sent on tour by the B.C. Branch of the Federation of Canadian Artists. The Committee hopes that all Vernon people who are interested in the trend of current painting will avail themselves of this opportunity to see and judge for themselves. Students are particularly invited to attend these exhibits.

The season will open on October 23, 24 and 25 with an Exhibition of the work of Miss Stella Langdale, well known British artist.

Then Miss Langdale, who has exhibited her work in Paris, London, Venice, Switzerland and Austria, will give a display of her paintings in Vernon in Women's Institute Hall.

For her work in oils, charcoal drawings and aquatints, Miss Langdale has won praise from top critics. She is also an accomplished writer.

In 1939 she came to Victoria with Miss F. E. Baynham with whom she resides. Much of her work reflects her travels through North America, Italy, Canada and the United States. Miss Langdale, who admits a fondness for charcoal, has executed a number of works in this medium.

One of her outstanding oil paintings, "And After They Had Sung a Hymn They Went Out," is an interpretation of "The Last Supper" and is handled with deep feeling. "The Sweeping Rain, Nanaimo," is one of a set of six sketches painted in Victoria. In

the Pacific coast scenes the artist has been successful in conveying her lyrical mood in a majestic manner. Canvases are small but reveal impact of forces and personality.

As a girl Miss Langdale studied in Brighton, England, and in Glasgow with Maurice Greiffenhagen and Newberry. A keen mind and vivid imagination caused her to develop her own style and ideas. Her unusual work in colored aquatints leans toward the French style.

Immediate members of their family gathered at the home of Mr. and Mrs. C. George Saunders on Sunday, October 30, to congratulate them on their silver wedding anniversary. Mrs. W. Rice, mother of Mrs. Saunders, presided at the urns. Servitors were Mrs. T. S. Boudreau and Mrs. W. G. Saunders.

## Broadcast of Interest To Vernon Monday, October 22

A broadcast of particular interest to Vernon people is that scheduled for Monday, October 22 at 7:30 p.m., one of the Olvy Niron series, a OBO feature. Mr. Niron, of the OBO, who visited Vernon a few weeks ago in the course of a provincial tour, collected material at that time on which the October 22 program is based. It includes this city's progress in rehabilitating its armed forces personnel, its industries and potential possibilities.

## Season Short But Days Long for Arctic Gardens On Top of the World

Canada's frigid north is not as barren as most people think. Careful cultivation of sheltered plots of land even north of the Arctic Circle will often produce ample dividends in both vegetables and flowers. The vegetables are particularly welcome, since fresh vitamins and mineral-rich foods are not easily obtained in the remote settlements of the far north.

Northern gardens have problems peculiar to themselves. The growing season is very short and the gardener has to be constantly on the alert. Tender plants must be covered up when frost threatens, and sowings killed by late frosts must be replanted. The same watchfulness is necessary at the end of the season when early frosts might destroy tomatoes and other tender crops.

To compensate for the shortness of the season, however, the hours of daylight are much longer than farther south, and the mysterious catalytic agents that promote growth in plants with the aid of sunlight are able to work on a "swing shift." In this way adaptable plants, like the potato and cabbage, are able to complete three normal months' growth in two months of longer days.

Beyond the treeline the soil occurs only in cracks and crevices and in river bottom lands. Arctic

soils are usually very acid and are composed chiefly of dead moss and undecomposed plant debris. To salvage the nutrients locked up in this material and make them available for plant growth, it is necessary to employ millions of bacteria. These bacteria are present in all good garden soil, but are often lacking in the Arctic soils and have to be introduced. This is done either by shipping in a small quantity of loam (often a trip of two or three thousand miles) or by using dog manure which sometimes contains a desirable type of soil bacteria.

**Eskimos Help**  
Gardening a whole summer has to be devoted to "growing" the soil before one can start growing plants. First the soil must be scraped up and brought to the garden site. For this purpose it is often possible to enlist the aid of a few Eskimos who think that the crazy white

(Continued on Page 10, Col. 4)

## Helps Chase Away Her Winter Aches

For ten years now Mrs. Brock has found that the coming of winter brings on bothersome aches and pains. But she doesn't worry about that because she has a tried and trusted friend to help her... as she tells in her letter:  
"I am a middle-aged country woman and lead a very active life as a farm-worker in addition to household tasks. Ten years ago, my limbs ached and pained. I tried Kruschen Salts and got relief in a week. Now I always keep a jar of Kruschen in the house, but during the busy summer days I forget all about it. But when winter comes, those aches and pains usually start again and then I am reminded of my Kruschen on the shelf. Down

comes the little glass jar, and after one first few doses I feel better, and in about a week I feel like my old self again."  
The little morning dose of Kruschen Salts... taken as needed... helps the self-regulation of your system. Liver, kidneys and bowels are stimulated to healthy activity, thereby eliminating those waste products and poisons that may endanger the health, and give rise to aches and pains.  
Kruschen Salts is obtainable at all Drug Stores. 25c. and 75c.

## Federal Budget Due October 12

Finance Minister J. L. Halsey announced in Commons the federal budget will be brought down tomorrow, Friday, October 12.  
This will be presented at 5 p.m., Pacific Standard Time.

## Dry Soil Pasture Tested Out

Grass crops offer numerous problems but the most difficult one to overcome is to supply good herbage during the summer months.

Orchard grass, alfalfa and red and white clover are the four most important drought resistant crops. Red clover unfortunately is a biennial and can only be relied on to supply an appreciable amount of herbage one year after seeding. White Dutch clover is perennial but when ultimate pasture is used for one or two years as a hayfield the white Dutch tends to be killed out. Considering these conditions the greatest reliance must be placed in alfalfa and orchard grass.

The most common practice is to seed grasses and legumes with a grain crop in the spring. Where moisture is a limiting factor, and it most frequently is, spring seeding of this nature often results in poor turf. Fall seeding of the grass is more reliable with the legumes broadcast on the surface in February.

Soil heaving from light frosts assures sufficient burying of the seed so planted. The surest way to get a good turf is to sow the grasses and legumes without a nurse crop either the fall and February method noted or the complete mixture in the spring as early as possible which will usually mean April. Under alluvial or delta soils, in low lying areas and on peat and muck areas moisture is usually more plentiful than on clay or sandy clay soils.

Considering the better drained soils, orchard grass is the first consideration. When a hay crop is to be cut red clover should also be used. Ladino clover is perennial in habit and should be included in all mixtures. Alfalfa, due to its value as a feed and its drought resistance, should always be used. Perennial rye grass ranks next to orchard in pasture value and deserves consideration. White Dutch clover should be included unless the field is to be in hay for two or more years. Italian rye grass due to quick growth can be depended on to add to the total herbage for the first year. The recommended mixture in pounds would be as follows: orchard grass 10, perennial rye 4, Italian rye 4, alfalfa 2, Ladino 2, white Dutch 2 except in hay, red clover 6 in hay or 2 if for pasture only.

An allied naval exhibition was held recently at Rotterdam, Holland.

YOUR BREAD IS AMAZING

MY YEAST IS AMAZING!

PURE, DEPENDABLE ROYAL ENSURES RICH-TASTING, EVEN-TEXTURED, SWEET, DELICIOUS BREAD

**Arctic Harvest**  
Gardens now flourish in the land of the midnight sun (top). Even this old one at Fort Albany on James Bay is way down south by modern standards. (Left) this 10-foot sunflower was grown at Fort Liard, N.W.T. (Right) these giant cauliflowers were grown near the Arctic Circle, believe it or not!

**Mrs. A. Webster**  
Who has been elected C.C.F. candidate for the South Okanagan in the forthcoming Provincial election. Mrs. Webster resides in Kelowna, as the Okanagan climate is necessary for the health of one of her young sons.

## Mrs. A. Webster CCF Candidate in South Okanagan

The C.C.F. in the South Okanagan has chosen Mrs. Arnold Webster as candidate for that district in the forthcoming Provincial election. Her husband has made frequent speaking tours through the Valley in the interests of the C.C.F. Party, and the couple are widely known in the district.

Born in Nova Scotia in 1903, Mrs. Webster moved to Vancouver with her parents in 1911. She received her education there and was graduated from normal school, where she met her husband, in 1922. For the following six years she taught in Lord Selkirk School in Vancouver and was married to Arnold Webster in 1928. Following her marriage, she attended university, graduating from U.B.C. in 1932.

There followed a year in Scotland when her husband was on teacher-exchange, where Mrs. Webster did voluntary social service work. Returning to Canada in 1934, they both immediately became interested in the newly formed C.C.F. movement and since then have been active party workers.

Because of the health of the elder of their two sons, it has been necessary for Mrs. Webster to make her home for the past two years in Kelowna. During that time she has been closely associated with the work of the C.C.F.

## Kelowna Building Permits Increase

KELOWNA, Oct. 5.—Building permit values jumped to a new high record in Kelowna last month, when the September building permit figures amounted to the unprecedented total of \$91,070, according to the report issued by the City Office. This brings the total permit values to date to \$540,750, an increase of \$91,070 over the corresponding period last year. It is doubtful whether any other city of the same size in the province of British Columbia has shown such a large increase during the first nine months of the year.

Included in the monthly figure, however, is an amount of \$15,575 for alterations to the old McDonald Block on Bernard Avenue, which, when completed, will be one of the most modern buildings in Western Canada. Even without this figure, however, the building values would still have exceeded the corresponding month of last year, and also the month of August, 1945.

## Grindrod Welcomes Home Soldier Son

GRINDROD, Oct. 9.—Sgt. John Folkard returned to his home here on Sunday after spending the past three years overseas.

Mrs. John L. Monk of Lumby, spent the week end with Grindrod relatives.

Mrs. H. M. Wells and Donald have returned home after two weeks holiday in Chilliwack.

Mrs. A. Chabedlain left on Saturday night for Melfort, Sask., on a business trip.

Mrs. H. Tordoff and sons arrived home on Sunday after a few days spent on business in Vancouver.

Congratulations are being extended to Robert Strouger on his wedding to Betty Polson of Enderby, which took place quietly on Saturday night at Enderby.

Mr. and Mrs. George Arnold of Winfield spent the week end at the home of Mr. and Mrs. L. Strouger.

Mrs. B. Halksworth is visiting with Mrs. S. M. Edgar of Salmon Arm for some time.

## Edmonton M.P. to Speak in Behalf Of Social Credit

The Social Credit party is getting its election campaign well lined up, and has secured P. H. Ashby, M.P. for East Edmonton, to give addresses in Vernon and throughout the constituency next week.

On Wednesday, October 17, Mr. Ashby and Oswald Scheir, the latter Social Credit candidate for the North Okanagan in the Provincial Election, will both speak in Burns Hall at 8 p.m. The following evening, Thursday, October 18, they will address a meeting in Armstrong in the City Hall. There will be meetings during the same week in Enderby, Grindrod, Mara and Lumby, at which Mr. Scheir and Mr. Ashby will speak.

Good crowds have attended Social Credit meetings held during the past few days at Swan Lake, Grandview Flats and Mabel Lake.

while the reconstruction of Britain and Continental Europe will call for huge quantities of lumber, and Canada is expected to meet a large part of these demands.

## House of Commons Debates Raise in Old Age Pensions Would Scrap Means Test

Members of Commons generally agreed last week that there is need for changes in Canada's old age pensions legislation, but there was some disagreement on such points as age of eligibility and the scale of pensions.

Health Minister Hon. Brooke Claxton, outlining the government's point of view, said the Dominion and provinces would have to agree on any changes in the legislation.

He listed the proposals made to the preliminary Dominion-Provincial Conference last August and said that if these were accepted, new old age pension legislation would be introduced as soon as possible.

**Would Pay All Costs**  
In its proposals, the Federal Government had offered to establish a national old age pensions system under which everyone 70 and over would receive \$30 a month.

The entire cost would be borne by the Dominion.

In addition, the Dominion offered to share with the provinces the cost of providing old age pensions to destitute persons between the ages of 65 and 69.

The pensions debate was set off in the Commons on a motion of Mr. MacInnis, who urged a \$50 a month pension at the age of 60, regardless of the means of the persons in that age group.

Mr. Claxton said adoption of Mr. MacInnis' plan would cost the country more than \$55,000,000 annually, an amount greater than was collected in personal income tax during the 1944-45 fiscal year.

**Best in World**  
If provincial governments agreed to the Dominion proposals, the federal government will introduce new old age pensions legislation as soon as possible, Mr. Claxton said.

At that, the \$30 per month pension proposed by the government would be the "most generous old age pension system anywhere in the world."

Having made proposals which the provinces now were studying, it would not be keeping faith with them or sound business to pick out one feature of the social security program and "change" it, he added.

If such commitment was undertaken, the government could not carry out its undertaking to the provinces to provide them with sufficient money from income taxes to carry on their services.

**Would Need All Taxes**  
Mr. MacInnis' estimate of the cost of his proposal was \$720,000,000 a year.

"If the means test was not necessary for persons more than 70, it likewise was not necessary for people more than 60," he said.

## B.C.F.G.A. Local Hears Report on Incorporation For Rutland Community

RUTLAND, Oct. 8.—The Rutland local, B.C.F.G.A., at the regular monthly meeting on Tuesday, October 2, heard a progress report from the committee appointed early in the year to study the possibility of incorporation for Rutland. The chairman of the committee, A. W. Gray, and the two members, O. D. Buckland and C. J. Duncan, reported briefly.

Correspondence with the Inspector of Municipalities, B. C. Bracewell, was read and the meeting was given an outline of the difference between "District" and "Village" municipalities. The former, similar to the type of incorporation adopted by Glenmore and Coldstream, has a Reeve and councilors, is responsible for administering the schools and polling, and has power to issue debentures.

The "village" type has three commissioners, elected for three year terms, has no responsibility for school administration or polling and no borrowing powers. It has right to levy taxes.

To form a "District" municipality it would be necessary to obtain a petition signed by the owners of more than half, in value, of the land in the area to be incorporated. A "village" municipality could be instituted by a majority vote of the qualified voters.

The committee was not prepared as yet to make a recommendation, but promised to complete their investigations at an early date and submit a final report at a future meeting. The chairman of the local, A. L. Baldock, stressed the fact that the principal advantage of incorporation would be the establishment of a local authority with the power to control and regulate local activities, such as the park, provision of fire protection, and other projects, the burden for promoting and financing of which is now being carried by a few community minded citizens. The interim report of the committee was adopted by the meeting.

Among other business dealt with at the meeting, a resolution was passed unanimously to transfer the balance in hand of \$125, left over from last year's levy of one eighth of a cent a box for Labor Placement expenses to the general funds of the local. A resolution favoring the re-instituting of "Daylight Saving" time by the Federal government early next year and urging its continuance to the end of October next year, was passed without a dissenting vote. This motion was a complete reversal of views on the part of most growers, as such a resolution would have received short shrift a few years back.

The meeting also endorsed a resolution requesting the West Kootenay Power Co. to arrange for a local office or store to receive the light payments. This would save local residents the inconvenience of having to go to Kelowna to pay the accounts.

The Rutland Baseball Club held a successful dance in the community hall on Friday evening. The affair was timed to coincide with the "World Series", and was in the nature of a wind-up of the 1945 season. As a result of the dance the boys will start the next season with a credit balance in their books. The music was by the "Okanagan Wanderers" and the large crowd in attendance kept up the festivities until the early hours of the morning.

A miscellaneous shower in honor of Miss Mavis Charlton was held at the home of Mrs. George Cross on Monday evening, October 8, and was well attended by the many friends of the bride-to-be. Miss Charlton, whose marriage to David

## Sheriff Gets Car Back Minus Keys

There is no sentiment in car thefts.

While Frank Boyne was attending the Canadian Legion's "Welcome Home" Dance for returned men Friday night, someone got into his car and drove off with it. The car was recovered on the Kalamalka Lake road near the Golf Course Saturday afternoon.

Mr. Boyne's principal worry at the moment is the whereabouts of his keys.

Gordon, of Kelowna, takes place on Thursday of this week, was the recipient of a great number of attractive and useful gifts.

## Hall Park Meeting

A meeting of the joint "Hall Park" committee held in the community hall on Thursday evening last voted in favor of building a storehouse on the south side of the hall. The meeting also authorized the executive to buy a pump for the Rutland Park, to be ready for use in time for flooding the skating rink.

Miss Ena Cross, R.N., of the staff of Vancouver General Hospital, is holidaying at the home of her parents, Mr. and Mrs. George Cross. Special "Harvest Home" services were held at the local United Church on Sunday evening last by the pastor, Rev. J. A. Petrie. The church was tastefully decorated with fruits, flowers and the produce of the field for the tastefully decorated of the field for the occasion.

Mr. and Mrs. D. H. Campbell motored to Grand Coulee Dam over the Thanksgiving Day weekend.

Mrs. John Bell received word recently that her son Pte. Robert Lyle Grant, of the Winnipeg Grenadiers, who has been a prisoner of the Japanese since 1941, is safe and well in Australia.

Bob White's Service Station has undergone a complete transformation. A new hollow-tile building has been built around the old frame garage and the old building torn down. The new spacious premises are now open for business.

## War Clause in Insurance Contracts To Be Cancelled

Servicemen holding insurance policies will be interested to learn that Canadian insurance companies are cancelling the war clause in their contracts. At least one major company in this country has already cancelled its war and aeronautics clauses, according to word received this week by an insurance representative here.

The cancellation was set out as follows:

(a) To pay all claims on men in the various armed services where the cause of death arises after May 8, 1945, in the case of personnel operating in the European zone or after September 2, 1945, in the case of operations in the Japanese zone in full except as provided in (c).

(b) To waive all travel or residence restrictions outside the Home Areas.

(c) To continue the restrictions on all types of flying (military and civil) other than those of a fare-paying passenger in a licensed plane between established airports anywhere in the world.

Canadian housewives who have seen the "World in Action" production "Food—Secret of Peace" have reported they understand the reason why meat rationing is needed to save lives in Europe.

## Season Short

(Continued from Page 9)

man is going to eat dirt. The soil is dumped in a cold frame or other protected spot and lime is added to neutralize the acidity.

In the eastern part of the Northwest Territories and in northern Quebec, hotbeds or greenhouses have to be constructed because the outside summer temperatures are not high enough for normal plant growth. Sometimes it is even necessary to use a coal oil lantern or heater to keep the temperature in the greenhouse from falling too low at night. In spite of all these adverse conditions, good salad plants are being grown in the far north. Crops of lettuce, radishes, chard, spinach and endive thrive in many parts of the Northwest Territories. At Lake Harbor, in Baffinland, tomatoes were ripened one year, and some enthusiasts are trying to beat this record by growing tomatoes even farther north on Baffinland.

Producing For 250 Years Although gardening north of the Arctic Circle is a relatively new venture, a little farther south, on the shores of Hudson and James Bays are found some of the oldest gardens of Canada. In some of these the same piece of soil has been producing continuously for over 250 years.

Anyone who thinks that pests are confined to southern gardens should read the tales of woe that come out of the land of midnight suns. Grasshoppers, maggots, caterpillars, mice and even sleigh dogs seem to be attracted to the garden, while all the mosquitoes from the surrounding country come to feast on the hardworking gardener.

## Occidental Life Reports Growth

With more than One Billion Dollars of life insurance in force, Occidental Life Insurance Company now is the 24th largest life insurance company in North America, W. Lockwood Miller, general manager for Canada, reported from the Canadian Head Office at London, Ontario yesterday.

At the end of 1944, the Company had \$1,013,019,849 of life insurance in force, an increase of \$125,340,724 during the year, the executive stated. Sale of new life insurance in 1944 surpassed all previous records for a total of \$130,432,990. Assets showed a similar sharp rise for the year reaching a new high of \$122,624,817, a gain of \$18,000,000, or 17 percent. Capital and surplus increased 38.1 percent to \$8,171,715, the report showed. Accident and Sickness premiums in force were \$4,949,936, an increase of 60 percent.

In addition to the very substantial credits to policyholders' reserve accounts the Company in turn paid policyholders, annuitants and beneficiaries \$12,173,000. This was at the rate of \$40,000 for each business day. Since Occidental Life was founded, the Company has disbursed to policyholders and beneficiaries \$105,882,236.

## Motorists Seek Open Road Now

—Gas Consumption Soars

Gasoline consumption by private B.C. auto drivers soared to a new high record after gas rationing was lifted following the defeat of Japan in August, the Coal and Petroleum Control Board states.

The board's consumption figures for August show sales to gas stations totalling 5,185,451 gallons, an increase of 1,279,438 gallons, or more than 25 percent over August of last year. It was about 40,000 gallons more than the previous pre-rationing record established in 1941, and was 689,918 gallons more than consumed in July.

## Penticton's "Teen Town" Holds By-Election Dance

## Growing Crops Flourish...When WATER IS ADDED to Sunshine

TO attain perfection in flavour and the maximum of food value many fruits require an amount of sunshine found only in arid and semi-arid regions; but in such regions the rainfall during the growing season must be supplemented by irrigation.

In British Columbia 150,000 acres of land are under irrigation and crops to the value of \$17,000,000 are produced annually from these lands. These crops are for the most part specialty crops and do not compete with the produce of the more humid areas. They comprise fruits, nuts and vegetables that are essential to the high standard of living enjoyed by the Canadian people; and since a substantial part of them is available for export they contribute materially to the maintenance of Canada's balance of trade.

Many prosperous communities have grown up in the Province around irrigation projects. These projects depend on the even flow of water during the growing season, which is secured, usually, by damming valleys to store the surplus water that runs off in the spring.

The Provincial Government, through the Water Rights Branch of the Department of Lands and Forests, maintains a staff of hydraulic engineers to see that water is apportioned fairly, keeps records on streams and helps farmers plan for proper development and use of the water made available. Anyone interested may secure full information from the nearest District Water Rights Engineer or from the Department at Victoria.

# OF INTEREST TO WOMEN

## Vernon Women Supply Needs of Troops, Internees

All facilities and staff of the B.O. Division of the Canadian Red Cross Society have been rushed into service during the last week to take care of the enormous influx of returning troops from Europe and repatriates from the Far East. The Enquiry Bureau, which normally is staffed by one, now has six stenographers working at top speed to index enquiries and information concerning arrivals. All this information is relayed to next-of-kin, relatives, and friends throughout the province by the Red Cross.

Many of the wool comforts, made by women of Vernon and district have been parcelled up and packed into kits for use of the British prisoners of war and civilian internees. These will be issued to them by the Red Cross on their departure from the coast for use during their trip home to Great Britain.

## Autumn BRIDES

Rathjen - Stanley  
A quartet of pastel gowned attendants marked the wedding on Wednesday, October 3, of Ivy, third daughter of Mrs. W. Stanley and the late Mr. Stanley of this city, and Donald McGregor Rathjen, son of Mr. and Mrs. J. J. Rathjen of Coldstream. Rev. J. White officiated at the ceremony performed in Elmo Tabernacle.

Vernon Stanley of Kamloops, gave his sister in marriage, who chose a toe-touching formal wedding gown of gleaming ivory satin with lace inserts. The dress was styled with a sweetheart neckline over the hands. Her embroidered net veil, which was confined to the head with an Anne Boleyn head-dress, swept the floor and her flowers were pastel pink carnations, roses and fern.

Mrs. Frank Stanley of Victoria, was matron of honor, and Miss Mary Rathjen acted as bridesmaid. Their formal floor-length gowns were of sky blue and peach silk respectively. Chapel veils of matching tulle illusion were held to the hair with floral topknots, and their flowers were rose and white asters. The two little flower girls, Carol Smith of Penticton and Beverly Basham, of Westbank, nieces of the bride, wore pale blue frocks, the former of pale blue silk and the latter of white organdy with pink trim. Ribbon rosettes to match were worn in their hair, and they carried old-fashioned nosegays of multi-colored fall flowers.

"Mac" Rathjen was groomsman. Ushers were Allan Smith and Dick Barnard. During the ceremony Miss Marion Gauley sang, "O, Perfect Love."

Over 100 guests attended the reception in Burns Hall which followed the rites. Vases of pale pink roses and burning pink tapers flanked the three-tier wedding cake which centred the beautifully appointed table.

For her wedding trip to Vancouver, Victoria and Seattle, Mrs. Rathjen changed into a brown suit with lime green blouse and brown accessories. On their return, the couple will reside in Armstrong.

## I.O.D.E. Home Cooking Sale Raises \$59.26

The Home Cooking sale held in September, sponsored by the Chapter, I.O.D.E., realized \$59.26. This was reported at the October 1 meeting of the Chapter.

A fall project of the Chapter is the drawing of a ham, to be held at a dance on November 10. Mrs. J. Williamson is in charge of selling tickets.

Mrs. M. A. Curwen has agreed to convene a Sunday evening concert to be staged in the near future, proceeds will be for the general fund.

In reporting on the Girl Guide Camp held at Otter Bay last July, Mrs. H. L. Courter told the meeting that the standard of work was particularly high, and that the camp is considered outstanding by the Canadian Girl Guide Association.

Mrs. P. R. Finlayson and Mrs. G. L. Ormsby were appointed conveners of the annual rummage sale, who have arrangements under way as to date and place.

The Chapter will assist the Pythian Sisters with their tag day on October 20 in aid of the Elementary School Library. Mrs. D. W. Spice was appointed convener of the Post Office corner for the Chapter.

Word has been received from Mrs. Fainie, Provincial War Convener, that there is still a great need for knitted comforts for the Navy, Merchant Marine and Miners.

Support was asked for the National Clothing Collection which is now at its height.

## Major Role For Women in Fight Against Inflation

Vernon women will be able to see what clever fingers, plus a little ingenuity, can do on Monday afternoon, October 16, when Mrs. Mary Hurrell, Consumer Secretary for B.O., will display some made-over clothes of all descriptions.

The meeting is free to all women, and will be held at 3 p.m. in the Canadian Legion War Services Hall on Vance Street.

A feature of the display will be the modelling of clothes, re-cut and made from worn garments, on children from 4 to 16 years of age. The idea back of the showing is the conservation of supplies, both wool and cotton, owing to the scarcity of these fabrics.

Interesting to mothers who cannot obtain underwear for their children are ideas on these lines. Undergarments made from the best parts of worn-out men's underwear, flannellette, yarn and other fabrics will be shown.

Mrs. Hurrell will give an address on inflation. This is the danger period, "after the war," she writes. Women constitute a large percentage of the buying public, and their wisdom in buying and saving will have much to do with the future of Canada.

The meeting is held under the auspices of the Women's Regional Advisory Committee of Vernon, Mrs. C. Wylie, chairman.

## Operational Radar Wartime Job Of Kamloops Girl

KAMLOOPS, Oct. 5.—Miss Primrose Walker has resumed her job as receptionist-stenographer at Burr's Clinic after service in Royal Canadian Air Force (Women's Division) as a corporal. She was mostly engaged in operational radar, in which she took several courses at Ottawa before being posted to various stations across Canada, from Halifax to Victoria. During the war, radar was top secret and those engaged in it were permitted to get only so much of the whole picture. Actually, she says, she had little idea, at the beginning, just what it was, nor of the great part radar was going to play in winning the war.

Miss Walker originally was from Kelowna, where her parents, Mr. and Mrs. W. D. Walker, still reside.

## Legion W.A. Raises Funds For Overseas Parcels

The Women's Auxiliary to the Canadian Legion held a successful "Bingo" night recently, raising a nice sum for Overseas parcels. It is expected that the regular whist and cribbage games will start the second Thursday in November for the winter season.

## Dress up to Slimness

The new mood of elegance, summarized by a suit: Rose Barrack, top-flight New York designer, shows a beautifully shaped jacket with double revers, defines the moulded waist with a sequined belt.

Would a few pounds less let you wear fashions like this? Then write for the "Kellogg Weight Control Plan," a purse-sized guide with 63 reducing menus planned for your own needs.

These menus include Kellogg's All-Bran because it is guaranteed, on a double-your-money-back basis, to keep you regular naturally. And being made only from the vital outer layers of the wheat, it is rich in certain "protective" food elements your body must have, diet or no diet.

No wonder this delicious cereal is served by nearly one out of every two families in Canada. Order Kellogg's All-Bran today. To get the "Kellogg Weight Control Plan," cut the box-top from the package; print your address and request on the back and mail to Kellogg Co. of Canada, Ltd., London, Ontario, Dept. 145.

## ONE OF THE 25 LARGEST!

Among more than 400 life insurance companies in North America, Occidental ranks 24th measured by its more than a billion dollars of life insurance in force... a reflection of the steady, consistent growth of the company. This also testifies that Occidental provides what the public wants in its insurance protection.

**"SALADA" TEA**

## A Friendly Chat

By Cousin Rosemary

Events surely have a nasty habit of creeping up on one. Here we are, with barely the last sugar coupon converted into preserves, and certainly not all the pickle possibilities exhausted when its time not only to think, but start to work on, Overseas Christmas parcels.

We have become used to hearing of the need in the Old Country, and the most susceptible have become a little blasé regarding old-repeated statements and appeals.

I will try and put things in the plain language of the newspaper profession.

It is a long time since 1939. Six hard years. Our relatives have worked and suffered. Supplies are reduced even below wartime rations.

Six Years Leave Mark

Old Country people, we are told, have aged. They are gaunt, shabby. They are tired. And a parcel from Canada will not only provide them with one or two treats, but will lift their hearts with new hope.

You know how much pleasure a gift gives you? It is ten times as pleasurable to them.

October 15 is the date we are told to mail our parcels, with October 30 the deadline.

Well now, what to put in is the question.

In other years, using myself as an example, not those sent to service personnel, I have put in dried fruit, thinking that as they had plenty of flour, given the fruit they could make their own cake and pudding, which they did.

Diversing a moment; in nearly six war years, I only lost two civilian parcels and one service parcel. The latter were sent monthly for over two years; the former several times a year.

Only Five Pounds

Remember, not more than two pounds of any one commodity is allowed in a civilian parcel. The limit is five pounds, and the postage is 90 cents.

If you can get glace fruit, nuts, pudding powders, cheese, tea, dehydrated soups, gravy cubes, shortbread, a package of tissues—these make a start. If you can spare a few tokens for a can of meat sandwich spread, this will be appreciated. Salmon they enjoy, and it is high in point value. If you can obtain a little candy, chocolate bars, dried prunes, these are the rarest luxuries. Don't send dried apples, as apples are quite plentiful in England at this time of the year, so the war brides say. If you can get a small fruit can, who so much the better. Don't send anything in glass containers.

In spite of countless repeated warnings, many otherwise intelligent people purchase glass bottles and jars. Food is too precious to risk.

Wrap each item in Christmas paper and put a greeting card on top.

## Army-Airforce Nuptials Here

Cpl. Marjorie Thomas, OWAC, was the bride, gowned in white sheer and a finger-tip veil confined to her head by a circlet of orange blossoms, who exchanged marriage vows with Charles H. Prior before Rev. Canon H.O.B. Gibson in All Saints' Church, Vernon on Tuesday, October 2.

The church was beautifully decorated with gladioli and chrysanthemums for the 4:45 p.m. rites which united the second youngest daughter of Mr. and Mrs. Richard Thomas of Armstrong, who wore, as her only ornament, a sapphire set gold necklace and matching earrings, the gift of her groom. Her bouquet was of pink roses, white carnations and fern. She was given away by H. Hall.

The groom is son of Mr. and Mrs. Charles F. Prior of Vancouver, formerly of Vernon, and was on the staff of the Okanagan Grocery prior to enlistment in the R.C.A.F.

The bride's maid of honor was Miss Colleen Prior of Vancouver, sister of the groom, while her bridesmaid was Miss Hilda Comber of Armstrong. Both attendants wore sheer gowns with finger tip length veils on top, the former being pale blue and the latter's pink. Their bouquets were of pink and white carnations.

The groom's uncle, Charles Bristow, was best man, Jim Postill and Les Needoba were ushers. During the signing of the register, Mrs. Celia Wynne sang "Because." J. A. Manson played the nuptial music.

At the reception in Burns Hall, which was decorated with pink and white streamers and autumn blooms, some 60 guests were regaled for the 4:45 p.m. rites which assisted by the mother of the groom, Mrs. Thomas wearing mauve crepe, Mrs. Prior choosing a two-piece ensemble of navy blue. Their oranges were rosebuds and carnations. The bride's table was centred by a three-tier wedding cake embedded in tulle and flanked by vases of white roses.

The toast to the bride was proposed by J. McKinnis, Les Pointer toasted the bridegroom and Canon Gibson the parents of the principals.

For travelling by car to Vancouver Mrs. Prior changed into a brown wool suit with matching accessories. After a honeymoon at the Coast Mrs. Prior will return to the C.W.A.C. at Kamloops and on receiving her discharge, the couple will reside in Vancouver.

Mr. Prior has recently returned from India where he was a Flying Officer with the R.O.A.F. for three years.

Besides Mr. and Mrs. Charles H. Prior—the groom's parents—and Mrs. Colleen Prior, all of whom were out of town guests were: Mrs. H. Prior, Nelson; Mrs. A. E. Bristow and Mr. and Mrs. H. Cochrane of Penticton.

## Lumby to Remember Local Men Overseas at Christmas

LUMBY, Oct. 8.—Anyone in Lumby and district who has sons or husbands in the armed forces overseas who will not be home this Christmas, is asked to leave their names with Mrs. J. Martin Jr. in order that they may receive a Christmas parcel. This was decided at the regular monthly meeting of the Lumby Women's Institute held last Wednesday in the Community Hall. Plans were completed for the military whistle drive held on October 9 in the hall. Proceeds of this affair were for the overseas parcels.

The meeting recorded a vote of thanks to the retired Trinity Valley Institute for the donation of one War Savings Certificate and cash to the Lumby W.I.

A card party was held on October 1 in the Anglican Church rectory sponsored by the Lumby Lend-a-Hand Club. There were six tables playing, winners being: Men's first, Ted Roland; men's consolation, Mrs. J. A. LeBlanc (playing as gentleman). Ladies' first, Mrs. J. Pitman; ladies' consolation, Mrs. A. Andre. The winner of the blind raffle, a pair of bookends, was Mrs. H. Sigart.

Mrs. Norman Taylor, Mrs. Bert Taylor and their four children, of Princeton, were visitors last week at the home of their parents, Mr. and Mrs. R. Munger.

Mrs. Art Townsend was a weekend guest at the home of Mrs. P. Christian.

Congratulations are being extended to Mr. and Mrs. Fred Eckert on the birth of a daughter on October 3 in the Vernon Jubilee Hospital.

Visits After Four Years  
After an absence of four years from Lumby, Bernard McAllister of Minstrel Island, has been visiting for the past few days with his parents, Mr. and Mrs. J. McAllister, who also had as a recent guest Miss Norma Millington, of Minstrel Island.

Raymond Ward of Pender Harbor is visiting his family here. They will shortly leave to live at the Coast, having sold their home to F. Barnes.

Lawrence Ward, of Nakusp, recently visited his parents, Mr. and Mrs. Raymond Ward, for a few days.

After four years overseas, Pte. "Chick" Christian arrived home on October 3. He is staying with his parents, Mr. and Mrs. C. J. Christian. Pte. Christian was accompanied by his wife and son, who made their home in Moose Jaw during his absence.

Mrs. George Fisher left last Tuesday for Vancouver.

Gunner "Sonny" Inglis left on Monday for Vancouver where he will receive his honorable discharge from the Army.

Pte. C. R. Wiley arrived home from Overseas last weekend, and has joined his wife and family here.

LAC Stephen Ward, R.C.A.F., stationed at Calgary, arrived home last Saturday to visit his parents, Mr. and Mrs. Raymond Ward. Bought Home in Kamloops

Mr. and Mrs. Lester Connick and family have recently moved to Kamloops where they have purchased a place.

A meeting of the Lumby Red Cross Society was held on Tuesday afternoon in the Anglican rectory.

Mr. and Mrs. J. Martin Jr. Mr. and Mrs. Novo Derry, and Frank Pawlick left on Saturday evening for a two-day hunting trip to Park Mountain.

In ancient Egyptian court ceremonies only the Pharaoh wore shoes; princes appeared barefoot.

## Kamloops Moves To Avert Threatened Scarcity of Milk

KAMLOOPS, Oct. 5.—Warning of an impending "milk famine" if help by way of higher prices or an additional subsidy does not reach the dairymen in the very near future, was given by John Desmond to city council recently. Root of the trouble, he said, is the price of the delivered product, which does not encourage dairymen, and the "serious" farm manpower shortage.

Writing on behalf of the producer-vendors, Mr. Desmond declared that the closure of the two dairies had further reduced an already short supply. He urged action by councillors to induce these two dairies to remain in the business.

The councillors referred Mr. Desmond's warning to Ald. Fred W. Scott's health committee for investigation, and action, if necessary.

## C.N.R. Sleepers Temporarily Back On Okanagan Run

VANCOUVER, Oct. 5.—Canadian National sleeping cars between Vancouver and Kelowna were temporarily returned to service effective with the train which left here Friday last at 7:15 p.m., announced William Stapleton, general passenger agent, C.N.R. Through sleepers from the Okanagan Valley to Vancouver resumed operations Saturday, October 6, leaving Kelowna at 4:50 p.m.

Through C.N.R. sleepers between Vancouver and Kelowna have been withdrawn on different occasions since service personnel from overseas started returning to Canada in large numbers. Many overnight sleeper runs have been temporarily disrupted to provide equipment on such occasions.

## For Sale by Tender

One Frame Building 21x33 with 12-ft. walls, known as "The Old School Building", situated on the school grounds at Mara. This building, including foundation to be moved from the school grounds.

Ten per cent of bid to accompany all tenders.

All tenders to be marked "Tender" on outside of envelope. Highest or any tender not necessarily accepted.

Tenders to close October 22, 1945.

Signed on behalf of the Mara School Board,  
Ed Robertson, Secretary.

They all put their trust in Confederation Life

During the past seventy-four years, generation after generation of Canadian families have put their trust in us.

This trust... this confidence has never been misplaced, and, as a result, Confederation Life Association is now one of the world's great Life Insurance institutions.

Neither wars, epidemics, nor depressions have ever disturbed the financial strength and stability of Confederation Life Association.

## Canada's Position With Food Board

An explanation of Canada's responsibility on the combined food board was recently given by K. W. Taylor, foods co-ordinator of the War-time Prices and Trade Board. Mr. Taylor explained the matter in the following terms:

"Meat supplies are part and parcel of the whole international food problem. No country is completely self sufficient in food. For example, we in Canada have surpluses of wheat, meat, dairy products and fish; but we depend upon other countries for all or most of our sugar, tea, coffee, cocoa, spices, rice and practically all of our vegetable oils used in soap, shortening and salad dressings.

"Most of these items are in short supply, and will be short for some little time yet to come. In order to see that the available world supplies are distributed as fairly as possible among the United Nations three countries—Great Britain, the United States and Canada—set up a body in 1942 called the combined food board. Each year this board examines each of those food items which are in short supply, finds out that supplies are available, and then distributes them fairly to all the countries that need them. Through this board each country is a receiver as well as a contributor.

The success of the board—depends upon each member country playing its part; that is, each country must make its maximum contribution to the common pool, in return for getting its fair share of things it needs but cannot produce.

"If we want our fair share of sugar, tea, vegetable oils and many other imported foods, we must be prepared to contribute our fair share of meat, cheese, canned fish and other items which we have in abundance."

## Japanese Student In Kamloops Wins, Then Loses, Scholarship

KAMLOOPS, Oct. 5.—By reversal, Henry Sugiyama, Kamloops High School Japanese student, has won a University of British Columbia scholarship worth \$175, but for two reasons he cannot take advantage of it. Firstly, B.C. Security Commission will not permit him to reside in the Coastal area, and secondly, he already has enrolled and been accepted by Manitoba university. He left for Winnipeg about two weeks ago.

Sugiyama, son of I. Sugiyama, North Kamloops, placed third in the June examinations. Dorothy Robertson, who won the first place, relinquished the scholarship to second-place Gordon M. MacDonald, also of Kamloops, but formerly of Vernon, when she won a \$3,000 four-year McConnell scholarship to McGill. MacDonald relinquished the award when he won still another scholarship.

Now the scholarship again is open, and will go to the lad or lass who placed fourth in this district, whoever he or she may be. It is expected an announcement of the award will be made within a few days.

The photo services of the National Film Board reports 2,000 requests a month for still pictures illustrating phases of Canadian life and achievement.

Sweet Caps Salute Those Who Wear This Badge —

Canadians welcome them home with pride, the wearers of this symbolic button... that tells and means so much! And... ask those who wear it, they'll tell you that during years in uniform the demand was for the unfailing solace of Sweet Caps... and now, back in "civvie" it still rates first in smoking pleasures.

"The Purest Form In Which Tobacco Can Be Smoked"

## SWEET CAPORAL CIGARETTES

## New Inspector Visits Falkland School District

PAIKLAND, Oct. 8.—A. S. Matheson visited Paikland during the week and brought with him Berg Thorsteinson to introduce the latter to this school district. Mr. Thorsteinson is the successor to Mr. Matheson, as school inspector, and will have his headquarters in Vernon.

The heavy rain on Wednesday did not prevent an excellent attendance when the Ladies' Anglican Guild met at the home of Mrs. C. Kent. Following up the work of the committee appointed for that purpose, the ladies decided to complete arrangements to have a scroll engraved with the names of the men from Paikland and district who have served in the armed forces and to have the scroll hung in the Anglican Church.

Mrs. W. J. Ferguson and Mrs. T. Currie form the committee.

When other districts less fortunately situated are complaining of the results of the long drought, Paikland residents by reason of the excellent irrigation system, continue to reap the usual heavy crop of alfalfa, red clover, potatoes and small fruits. In the latter case, those who have everbearing strawberries, are still enjoying the odd bowlful every 10 days or so.

Blossoms, green berries and ripe ones are still to be found on one Honey bees seem determined to make up for earlier shortcomings, and are very busy wherever suitable flowers are to be found.

Game Reports Good  
Mr. Moser at Pillar Lake reports that excellent fishing is the rule these warm October days. Many blue grouse are falling to local sportsmen, but weather is friendly to the deer rather than his hunter. Several reports of bear being killed have come in.

George Stirling, accompanied by J. R. Freeze, spent some time on Wednesday electioneering on behalf of the C.C.F. Mr. Stirling was the member for Salmon Arm in the last legislature.

# THE CHALLENGE

## OF AN EMPTY PLATE\*

* BEEF - 140,000,000 lbs. still to be shipped.	The United Kingdom and Liberated Europe rely on Canada 225,000,000 lbs. this year.
* PORK - 100,000,000 lbs. still to be shipped.	The United Kingdom and Liberated Europe rely on Canada for 450,000,000 lbs. this year.
* CANNED MEAT - 70,000,000 lbs. still to be shipped.	The United Kingdom and Liberated Europe rely on Canada for 114,000,000 lbs. this year.

In most liberated European countries, there is a desperate shortage of meat.

As a great food-producing nation, Canada must, can — and will — help to meet the emergency.

The job will not be finished at the year's end. Food scarcities in Europe will continue until the next harvest.

\*\*\*

This year, Europe is relying on Canada for a minimum of 789 million pounds of beef, pork and canned meat.

Up to the end of August, only 479 million pounds had been sent.

How soon can we bridge the gap?

Livestock marketings are normally at their heaviest in the last four months of the year.

If we are to help feed the hungry peoples of devastated Europe, this is the time to make our greatest effort.

\*\*\*

To do our part, we must reduce our own consumption of meat and also assure that everyone in Canada gets a fair share.

That is why rationing is necessary.

### MEAT RATIONING ADDS TO EVERYONE'S WORK

The producer who slaughters, the retailer who sells, the consumer who buys and eats—they all play a vital part.

#### AS A CONSUMER, HERE IS HOW YOU CAN CO-OPERATE

1. Try to plan your meat purchases before leaving home by determining what cuts you intend to buy and their approximate weights.
2. Make sure you have enough valid coupons and tokens to cover your proposed purchases by referring to the Consumer Coupon Value Chart and the Coupon and Token Calculator. Copies may be obtained from your Local Ration Board or Ration Branch.
3. Know the dates your "M" coupons become valid.
4. Do not buy more meat than you really need.
5. Avoid shopping at rush hours.
6. Be patient. Remember—your butcher may have inexperienced help.

### HELP YOUR BUTCHER TO SERVE YOU WELL

**MAGIC Pork Rolls**

Sift together  
1 cup flour  
1 tsp. Magic Baking Powder  
1/2 tsp. salt  
1 beaten egg  
1/2 cup milk  
2 lbs. melted shortening

Grate lightly. Make 6 large thin pancakes about 5 inches across. When brown on both sides, keep in centers a filling made of 1 1/2 cups of chopped cooked pork moistened with 1 cup gravy or white sauce. Roll up, place on hot platter and pour remaining sauce over rolls.

MADE IN CANADA

**B.C. Stockmen Refute Statement "Good Cattle Held Long Time in Yards"**

At the October 1 directors' meeting of the B.C. Livestock Producers' Co-operative Association, T. Baird, in a letter to the association, drew attention to an inaccurate statement in the Coast press regarding good cattle being held in the yards for a long time. The "good cattle" in question had been sold the day after they had arrived and fetched \$11.75 per hundredweight. Mr. Baird, manager, enclosed copies of his correspondence with the W.P.T.B. relative to meat rationing.

Lord Martin Cecil presided at the meeting in the absence of Brian K. deP. Chance, president.

The secretary reported on the grain situation as outlined to him by F. Muller. It was agreed advisable for all prospective users of grain to order their requirements as soon as possible and to use all available storage facilities.

However, a grain reserve has been established for B.C. and Alberta by the Feeds Administrator for Canada, so that the danger of an acute shortage has been minimized.

R. M. Duck was supported by A. Bulman in moving that payment should be made to those shipping stock to the yards by the end of the first week on whatever livestock had been sold. In the event of some animals remaining unsold after the first week, the cheque for those sold should not be delayed pending the sale of the remainder.

E. H. Deeder was of the opinion that all applications for shares on which information is required be referred to the director or directors for the district in which the applicant resides. In this he was supported by F. M. Wilmut.

**SCREEN FLASHES**

A gallant woman's struggle against forces of appalling ignorance and seemingly hopeless poverty is the dramatic theme of Warner Bros.' latest Bette Davis vehicle, "The Corn Is Green," showing at the Capitol Theatre, Thursday, Friday and Saturday, October 11, 12 and 13. Starring the celebrated actress in the role created by Ethel Barrymore on the New York stage, "The Corn Is Green" is a moving tribute to the dignity of man—and to his ability to rise from the mire of oppression and barrenness in which he is sometimes forced to dwell. Economic conditions in the mining province of Wales at the turn of the last century form the background for the film which tells the story of a courageous schoolmistress and of her crusade to bring education and learning to the mine-covered men of the mine-shafts. As she struggles to overcome the superstitions and fears that have been instilled in these people for generations, Miss Moffat (Bette Davis) uncovers the spark of genius in an uneducated young miner, Evans (John Dall). Out of his awkward stumbling and groping and out of the rough timbers of his character, the gentle Miss Moffat fashions a man who has within him the ability and greatness to become a champion of his people.

**Dehydrated Products Find Way to Britain**

From the crop of vegetables grown in Canada in 1944, sizeable quantities have been dehydrated and shipped to the British Ministry of Food. The total value of the vegetables dehydrated was \$5,650,579. This price includes the purchase price of the raw vegetables, the cost of processing and the freight charges from the processing plants to Canadian seaboard points.

In the shipments, made through the Special Products Board, were: 9,000,000 pounds of potatoes, 1,851,000 pounds of cabbage, 888,550 pounds of carrots, 763,000 pounds of turnips, 62,000 pounds of onions, 4,260 pounds of spinach and 155,600 pounds of beets.

From last year's crop of fruit, the board also shipped to the British Ministry, 5,328,700 pounds of evaporated apples, processed from fruit grown in Nova Scotia, 166,842 barrels of fresh apples from Nova Scotia, 525,000 boxes of British Columbia apples, 200,000 pounds of British Columbia strawberries and 1,400,000 of British Columbia raspberries chemically preserved for making jam. Shipments of Ontario grown white beans totalled 443,000 bushels and 1,000 cases of Ontario grown canned corn was also sent.

The dehydration of the vegetables was done in 13 plants located in eight of the provinces, the exception being Saskatchewan. Total value of the shipments outlined was \$10,574,323.

**To Be White On Red**

British Columbia's 1946 motor licence plates will be of white letters and figures on a red background. It has not been decided whether one or two plates will be issued.

The term "Mandarin," used by foreigners to designate Chinese government officials, is derived from the Portuguese verb "Mandar."

During the past year, motion pictures have brought many great books to the screen. Now comes the announcement that William Cameron Menzies, director and screen production designer, will bring the widely read "Address Unknown," to the screen. It shows at the Capitol Theatre Monday and Tuesday, October 15 and 16. Everyone will remember the sensational reception given this story by Kressmann Taylor when it appeared in the Reader's Digest and in book form. From advance preview reports, it has suffered nothing in its translation to the screen under the hands of Herbert Dolman. Menzies has acquired an outstanding cast for the unfolding of this tremendous drama of love and revenge. Paul Lukas, who recently was given the Academy Award for the best performance of 1943 in "Watch on the Rhine," is starred in the role of the weak and traitorous Martin Schulz. Mady Christians is in the feature role of Lukas' wife, Elsa. Carl Esmond, well-known Hollywood actor, plays Baron von Friesche under whose Nazi domination Martin falls to his final destruction. Peter Van Eyck is Martin's son who is engaged to Griselle (K. T. Stevens), daughter of Max Eisenstein, Martin's friend and partner in a San Francisco art gallery.

The remarkable regeneration of a crippled soldier through the miracle of love is the keynote of RKO Radio's unusual feature, "The Enchanted Cottage," in which Dorothy McGuire, Robert Young and Herbert Marshall are starred. The films play at the Capitol Theatre Wednesday and Thursday, October 17 and 18. Bringing together again the pair who scored so notably in "Claudia," the new offering presents Young as the wounded veteran who, with his face mutilated in a plane crash, seeks to escape the ill-advised sympathy of his family, finances and friends by isolating himself in a lonely cottage on the New England coast. There he meets Miss McGuire,

**Ladies Wear Store Changes Hands Here**

Mrs. K. Ward and Mrs. Lillian Berry, new owners of the French Shoppe, officially took over the business from Mrs. Percy E. French on Monday, October 1. Mrs. Berry is daughter-in-law of R. E. Berry, well known to many Vernon and district residents.

Mrs. Ward comes to Vernon from Trail where she has had considerable experience in ladies ready-to-wear. Mrs. Berry has been on the sales staff of the Hudson's Bay Company in Vancouver, Saskatoon and Winnipeg where she was a style expert.

The French Shoppe will continue to carry a varied selection of ladies wear, specializing in millinery.

Mrs. French bought the business from Miss E. Drew a few years ago and later moved its location to the present store.

**Commission Will Survey Kamloops Electric Properties**

KAMLOOPS, Oct. 5.—Further investigation and a survey will be made by B.C. Power Commission shortly "with a view to making a report to city council with regard to the possibility of acquiring the B.C. Electric properties at Kamloops and fitting these into B.C. Power Commission's plans for the province."

This was the information recently received by city council by letter from S. R. Weston, chairman, B.C. Power Commission.

There are in Western Palestine (excluding the Trans-Jordan area) 26 millions dunams of arable land.

a village girl who understands his feelings because she herself has gone through life shunned and neglected by reason of her extreme plainness. Under the kindly influence of a blind composer (Marshall) the two grow fond of one another and their romance leads to marriage. The surprising outcome of the marriage and the strange happiness it brings, are told in the film's stirring climax.

**Welcome Home Party Held for Deep Creek Men**

DEEP CREEK, Oct. 8.—A "Welcome Home Party" for two soldiers recently returned from overseas, Cpl. Ray Jefeat and Pte. Dennis Smiley, was held Thursday evening. Winners of the whist were: Ladies, Mrs. A. E. Johnston; men, J. Holman; consolation, Mrs. C. Nedel and A. Hayhurst. A novelty contest, "Feeding the Tramp," was won by C. Nedel.

Cpl. Jefeat and Pte. Smiley visited in Vernon at the beginning of the week.

A house warming was held on Saturday at the new home of Mr. and Mrs. W. Winterhalter. Many friends and neighbors gathered for an enjoyable evening.

Bennie McCleight, of Nelson, accompanied by Miss Helen McMahon of Enderby, were visitors on Friday at the home of the former's uncle and aunt, Mr. and Mrs. W. McCleight.

O. L. Jones, of Kelowna, was the guest speaker at a meeting held in the Deep Creek Hall on Wednesday evening.

Mr. and Mrs. R. Davison Sr. were Sunday visitors at the home of their son and daughter-in-law, Mr. and Mrs. W. Davison, of Coldstream.

Miss W. Fahlmom spent the weekend in Vernon, returning to her duties as teacher at the Deep Creek school on Monday.

Miss Jean Smiley, of Enderby, spent the weekend with her mother at Deep Creek.

Congratulations are being extended to Pte. Jacqueline Wales, elder daughter of Mr. and Mrs. B. Wales, on her forthcoming marriage.

**Battle Casualties Returned**

All Canadian battle casualties have been returned to Canada from Europe, with the exception of 26, Hon. Ian Mackenzie, minister of veterans affairs, announced at Ottawa last week.

China is the only one true democracy of the Far East.

**Penticton Club Gets Charter**

PENTICTON, Oct. 8.—The Klamath Club of Penticton received its official charter from the hands of Governor Frank Taylor at a pleasing and largely attended charter night program held recently.

**THIEVES ENTERED THE PALATIAL HOME OF JASPER B. INGOTS LAST NIGHT. NOTHING WAS STOLEN EXCEPT A PACKAGE OF GRAPE-NUTS FLAKES.**

**"I'LL HUNT THE CRIMINAL DOWN IF IT TAKES EVERY CENT I HAVE! SAID MR. INGOTS TO THE POINTS TO THE SPOT WHERE THE GRAPE-NUTS FLAKES ARE KEPT."**

**"How does that scoundrel expect me to swing a big deal this morning without my oh-so-lovely, malty-rich Grape-Nuts Flakes?"**

**"My efficiency will be cut 'way down without that big dividend of two-grain nourishment in Grape-Nuts Flakes: carbohydrates for energy; proteins for muscle; phosphorus for teeth and bones; iron for the blood; and other food essentials!"**

**"And I must have something easy to digest. That's another reason why Grape-Nuts Flakes are my favorite pantry stock. They're specially blended, baked and toasted for golden-brown crispness, gilt-edged flavor and easy digestion."**

**"I've instructed Jeeves to get more Grape-Nuts Flakes from the store immediately—a couple of those big economy-size packages!"**

**WE'LL HAVE THE MONEY**

*to pay the bills*

**LIKE** thousands of other Canadians, farmers will welcome the 9th Victory Loan as another opportunity to save money to provide for future plans.

Victory Loans have provided an excellent means of helping the war effort, at the same time contributing to our own personal welfare.

Canada needs more money now . . . to make loans to foreign countries so that they can establish credits which will enable them to buy food and other things which they require.

This food will come from Canadian farms; these goods from Canadian factories. When we help to create markets for our farm produce abroad . . . and when we help to keep Canadian factories busy . . . we help to maintain good prices for the things that Canadian farms produce.

Victory Bonds also provide a reserve fund of working capital for our own use . . . so handy to have so many times. Any bank will buy Victory Bonds at any time, or loan money on Victory Bonds if we need cash.

. . . and for our future plans, we'll have the money required for things we want to do . . .

Get ready to buy more Victory Bonds this Fall. Buy double this time—the same rate of savings as in previous loans will pay for twice as many bonds over the 12 month period.

**NATIONAL WAR FINANCE COMMITTEE**

**To Enjoy Bran...  
Try it This Way**

**You'll get other Food Benefits, too**

**GET** the bran you need in the form you'll really enjoy . . . Post's Bran Flakes. You'll love the deliciously different, nut-sweet flavor of these crisp, toasty flakes . . . and you'll get other important food benefits as well.

Post's Bran Flakes contain enough bran to keep food wastes moving promptly. They help keep you free from that distressing ailment—constipation due to lack of bulk.

And because they contain other parts of wheat, they also supply wheat nourishment not found in every bran cereal—protein, carbohydrates and other food essentials as well as iron and phosphorus.

Post's Bran Flakes with milk or fruit always add zest to breakfast time. They make the lightest, tenderest bran muffins, too. Sugarless recipe on both the Regular and Giant Economy packages.

### Help Save a Life

It is not just for charitable reasons that Canadians are being asked to contribute as freely as they possibly can to the National Clothing Collection. Nor is the humanitarian impulse, important and valid as it is, the only actuating force behind the clothing drive. Rather it must be regarded as an opportunity to repay something of the debt which Canadians owe to the peoples of liberated Europe.

During the war, those Allied countries which still were able to field armies against the enemy made heavy demands of the peoples of the occupied areas. These people were expected to conceal escaped Allied airmen and soldiers from the Germans; they were expected to act as scouts who could supply information; they were expected to sabotage war production, transport and communications.

At grave risk, the peoples of the occupied countries fulfilled all these tasks. They fought, like us for freedom, but they took infinitely greater risks than did our own troops. For our troops, when captured, could still expect to live as prisoners of war. Civilians, when arrested because they helped us, could expect no mercy. Now that the trial of war is ended, they still ask for nothing except freedom and the material means to sustain life, until such time as their economies are sufficiently restored so that they will no longer need to seek bread and clothing from the wealthier nations of the world. If we failed them now, we could be ashamed to the end of our days.

To maintain life this winter, they need food and they need clothing. The clothing drive in Canada, which will continue until October 20, has set itself the modest objective of 10,000,000 pounds of clothing. Vernon's share is not large, but additional contributions are urgently required.

It is not stylish clothing that these people require. It is serviceable clothing that they should have. A pair of heavy boots, right now, is more useful to a peasant woman than a pair of dainty slippers, though these too have their place. But the main thing is that the clothing donated should be heavy, in good repair, and able to withstand hard wear—for there is so extreme a shortage of clothing in Europe that any that is sent will receive the hardest kind of wear.

The need is urgent and obvious. It is this winter, not next winter, that counts now. The clothing we give now will ameliorate to some degree the suffering that will be Europe's during the bitter winter to come. It will help to save lives.

### Comprehensive Program

Enough information is now available to indicate quite definitely that a really progressive, far reaching program is being mapped out for rural electrification of the North Okanagan.

Electrification is the dream of many. Those on the farms and ranches have definitely been handicapped as compared with their urban brethren in not having available to them the undoubted benefits of electricity.

Acting with speed, assurance, and efficiency, the British Columbia Power Commission is now making preliminary moves to overcome this discrepancy as between rural and city living.

When electrification is an accomplished fact, farm life will undergo a radical change. Young people will be vastly encouraged to stay on the land, in part by the many labor saving devices that electricity will make possible. Women will have more leisure, better homes, more freedom.

Plans as so far developed show that a start will be made by next spring and that a comprehensive program will be initiated during 1948. These things cannot be done overnight and the best estimate so far available indicates that three years will be required for completion.

In connection with rural electrification, people of the North Okanagan have a definite responsibility. On the manner in which they discharge this responsibility rests quite largely the success of the scheme. Already functioning efficiently and of large benefit is the North Okanagan Rural Electrification Committee, a semi-public group of farm leaders and business men, which is co-operating fully with the Commission. Public support is needed and will be asked. It should be willingly forthcoming.

### Irresponsible

The senseless strike of the Alberta coal miners has by now reached a stage where active intervention of trades union leaders and the authorities is a definite responsibility.

The miners are striking against meat rationing on the grounds that the ration is insufficient to sustain them in their heavy work. The miners elsewhere in Canada are not joining in the strike. The miners of the United States managed to continue to work on the pits on their meat ration. Only the Western Canadian miners seem to have a grievance.

The position taken by the coal miners in Alberta will hardly bear examination. Their weekly ration is several times that of the

### Wishes

If I might have my will,  
The lights would never be dimmed or the music still;  
And never by any mischance  
Should the eye grow dull or the foot forget to dance.

But since I cannot choose,  
I'll take whatever comes and never refuse  
My small sweet shining house of happiness.  
To build, come more, come less.

—AUDREY ALEXANDRA BROWN.

people of Europe who must also do very heavy work. It was because of the shortage of food in all those Allied countries that Canada undertook to reduce the meat consumption of all Canadians in order to alleviate suffering. Do the Western miners contend that their need is greater? Or are they simply unwilling to share?

The Canadian coal mining industry is making great efforts to establish a "national policy" whereby Canadian coal would be given preference. The miners' present exhibition of irresponsibility is hardly calculated to impress the people with the desirability of entrusting their heating to this group.

### Weeklies Have Important Peacetime Role

To The Members of The C.W.N.A.:

We are fortunate to meet today in our first peacetime gathering in five years and we would be wise to remember that this meeting has been made possible by the sacrifice of blood and great tears and in too many cases of life itself by millions of people of many races and creeds, our own nearest and dearest among them. For ourselves we have done but little even if it was all we could.

It is hardly necessary to tell you that your Association in common with other groups throughout the world is on the threshold of great developments. We are passing from a war to a peace economy and in that transition the place of the newspaper is of enormous importance. It is for the newspapers to interpret to their communities the great and sometimes disturbing events of this critical period. People will depend more and more on factual reporting and on soundly based commentaries such as they find in good weekly newspapers. Tolerance, tolerance and tolerance is the watchword in these hectic hours. Suspicion and distrust are surging through the world. Millions of people in Europe are without homes, have little food and little hope. Governments will stumble along as best they can in many countries which lack now and will lack for many months to come even the ordinary needs of daily life. The pressure of war is removed from the great Allies so that the old pressures of interests within each country are re-appearing. There is suspicion of Russia in the United States and in Britain; there is suspicion of the United States in Russia and Britain and there is suspicion of Britain in the United States and Russia. France is nervous of them all, and so it goes. The thing that stands out with crystal clearness isn't these various differences but the overwhelming compelling necessity for all peoples to work together if we are to save the world. With the recent developments of science and the enormous war potential of the world today any other course would lead straight to world suicide. That is where we go to work. It is up to each of us in his own community to convince his own people of this paramount necessity that the people of this country as a whole will come to echo that conviction and will learn to live at peace within their own borders which is the first and perhaps the most difficult step towards world peace.

There are natural and inevitable changes being made each day now in our national economy. The swing from war to peace is uncomfortable in many ways and demands flexibility not only of plants and equipment but of men's minds. In our own work we will be changing our editorial emphasis from our war aims to our peace aims. One thing we should not change is our urging of our people to keep together in meeting these new tasks which in some ways, are more difficult to accomplish than those of war.

There is an alarming note creeping into the newspapers these days and one which we should try our utmost to stop. Canadians did a good war job and the weeklies played their proper part in doing it. Now there is a tendency to cry down the government for imposing meat rationing, for imposing high taxation and for getting the Ninth Victory Loan figure so high. This is a serious tendency and I feel that it is up to us to fight this tendency with all our strength. No sane person desires meat rationing or high taxes for the fun of the thing, but it must be obvious to anyone that it is no less than our plain duty to go ahead with both these burdens for some time to come. It is far more important that we try to restore the children of Europe to some semblance of proper nutrition than that we have an extra pound of meat a week ourselves. The transition from war to peace, the bringing home of our boys now overseas, their re-establishment in civil life and all the multitude of expenditures in the wake of war must be met and must be met in large part now. There is only one source from which these bills can be paid and that is from the pockets of the Canadian taxpayer. By holding up our taxes to something near the wartime level now we will save ourselves not only money but serious dislocation later. We of the weeklies must put our weight behind these things if Canada is to come out of the war on a sound, moral and financial basis.

One of the most important jobs Canadians have ever faced is the absorption into our national economy of the hundreds of thousands of brave men and women who have been in the fighting services. It is a subject very close to the hearts of all of us as many of our members have their own sons and daughters in the services. This year your officers have tried to stress the importance of this job and to encourage all our members to take a personal part in the work in their own communities. This means much more than giving your local committee support in your own paper; it means a good deal of back work on the committee yourself. I know of no organization which can help in so many ways as can our own and I make no apology for again urging you with every bit of force I possess to make this vital task your number one job during the coming years. Please try to remember, too, that the veteran is much more popular than he will be next year or the year after. Many of us have today remember only too vividly how the returned men were given the run around after the last war. The first ones back then, as now, were treated as heroes while the late-comers were given the brush-off. We don't want that to happen here again, but it will if we don't fight to see that it doesn't. The time of a man's return to civil life bears no relation to the value of his services and the last man back is just as much entitled to the thanks of his country and the benefit of our services as the first. Even some of the time flush of enthusiasm, the looking after these boys is dying down in many quarters and we can and should do our utmost to see that our communities are kept up to scratch. These boys did a lot for us and I'm sure we can do a little for them.

—From the annual report of the 1944-1945 President of the Canadian Weekly Newspapers Association, R. F. Culbreth, publisher of the Red Deer Advocate.

## AS I SEE IT

By Elmore Philpott

### More Meat, Fewer Ships

The Alberta coal miners are absolutely in the right when they claim entitlement to more meat rations than are given to all ordinary civilians. It may be true, as Donald Gordon argues, that the most ration, as fixed, is sufficient to maintain a minimum standard of health. That does not explain away the miners' complaint that workers like themselves who do the nation's really tough and heavy work, should get no more meat than the sit-still, while collar worker—not to mention the loafers of both sexes.

Take the case of my friend's twins, born last month. They are surely bonnie babies, but it will be quite awhile before they will need anything but liquid diet. It can hardly be argued with reason that those twin babies are entitled to the same amount of meat per week as are two strapping coal miners or two loggers. The law requires both brains and brawn. Yet that is what the law says now. As Dickens made his Mr. Bumble say, "the law is a ass."

### Disappointment At Christmas

The Queen Mary and the Queen Elizabeth have both disappeared from the North Atlantic run. Now the SS Pasteur has also been suddenly withdrawn from the troop transport service.

Of course the same ships can't go on bringing home Canadian troops and troops simultaneously. They carry out to Asia. Presumably Dutch armies whose task will be to re-establish white man's rule over the unwilling natives.

The Canadian government should vigorously demand fair play for our men still stranded overseas. Otherwise there are going to be many disappointed families this Christmas.

A naval officer tells me he travelled to England in the spring of 1944 on the SS Ile de France. She carried 14,000 Canadian service people. She landed in Halifax last week with 8,000.

Why does the same ship carry 14,000 going east and only 8,000 coming west?

### Anarchy Cause of War

The United Nations organization has voted to have the permanent capital of the world peace-keeping body in the United States—not in Europe. That seems to me one of the best and most significant decisions of all our times.

The main cause of the disastrous world war is anarchy—that is the same kind of lawlessness between nations that used to exist between tribes in the old days of the American wild west. But the disease of nationalism is nowhere so malignant as it is in Europe.

Europe has deluded itself into believing that it is the natural essential leader of all the world. Up till recently, the very idea of a world capital anywhere else than in Europe would have been utterly unthinkable.

The nations of the world will do both themselves in general and Europe in particular a service by helping to cure this European mental disease of delusions of grandeur.

Geneva, having lost the job of world capital, may well serve a more sane, practical, chastened Europe as the capital of a federation of continents. When that time comes it will no longer be necessary for the rest of the world to get sucked into Europe's wars once every 20 years.

### Dogs Shot to Stop Epidemic

In the most serious outbreak of foot-and-mouth disease that Britain has had since 1933, affecting the area of the valley of the River Ouse, between Huntingdon and St. Ives, 400 head of cattle, as well as many pigs—valued at between \$100,000 and \$150,000—have been destroyed by Ministry of Agriculture inspectors.

Dogs have been shot in an effort to combat the outbreak. Bilkid-makers in St. Ives have been debarred from their favorite walks through the meadows. There is not a dog to be seen which is not on a leash, following a police warning to every body in a 30-mile radius that dogs will be shot on sight if they are not led.

## From the VERNON NEWS FILES

### TEN YEARS AGO

Thursday, October 10, 1935

Dr. G. G. Sedgewick, head of the department of English, and Professor E. E. Seward, of the department of history, will address the Okanagan Valley Teachers' Convention in this city next week. The sum of \$300 was spent for Christmas Charity Funds by the city of Vernon this year. Mrs. Geoffrey Whitehead was elected president last Friday of the Women's Canadian Club for the coming year. Farewell services will be conducted in the Lutheran Church on Sunday, October 20, by Rev. C. Fritzenhauer who is leaving for Chicago to take over the pulpit of the Evangelical Lutheran Church there.

### TWENTY YEARS AGO

Thursday, October 8, 1915

The Okanagan Electrical Society has brought up the question of providing a memorial for Mr. and Mrs. Schubert, who are numbered among the oldest pioneers in this valley. The Centennial will be celebrated in 1916 and it is possible that during that week the City Council has decided. A new type of passenger car run by electricity is to be tried out on the branch line from Kamloops to Kelowna. R. E. Backus has been appointed train manager on the new branch. Tomorrow, Friday, is Fire Prevention Day and the Vernon Fire Department is streaming the new fire truck.

### THIRTY YEARS AGO

Thursday, October 10, 1905

Timothy, one of the last old timers of the Interior, died last week at Yale. He was born in New Brunswick in 1839 and came to the Okanagan by sailing ship around the Cape of Good Hope for the machine gun fund now amounts to \$5,553, of which \$800 was collected by Lumby and Coldstream residents for their own gun.

## Letters of Interest

Century Behind

Editor, The Vernon News, Sir: I have been in this valley on and off for the past 30 years and I marvel at the complacency of its people, to say nothing of the woefully static and mental condition of most of our Civic Fathers.

Almost every intelligent person I have spoken to admits that the tourist trade would be a veritable Eldorado if we were able to offer something besides sunshine, lakes, pine trees and rice.

Our tourist camps, for the most part, are sordid spots surrounded by beauty, ill kept and often mismanaged, and have little to offer in the shape of comfort. Our hotels are not much better. Most of our eating houses (I will not call them restaurants) are a travesty, and their menus are as well known as the Ten Commandments, and I verily believe that the cooking was better in the stone age.

The less said about our beer parlors the better. They are certainly no asset to any community.

We have a good climate and so why in heaven's name do we not make the best of it. Why not open air cafes rather than our present infested horse boxes? A little music in our parks—yes, even on Sundays, for our Sundays are enough to turn many of us into beasts. Recent hotels and camps, well cooked meals and, last but not least, good roads.

One day perhaps our short sighted and materially puritanical government will have attractive inns where we can drink with our friends rather than with so-called beer with strangers.

May I venture to say that it will take an atomic bomb for this change of heart.

Let's own up to it. We are 100 years behind the times and too darned pleased with ourselves.

What about Civic Fathers, the Board of Trade? We look to you for a little foresight and imagination. You've been Rip Van Winkles long enough.

MARCEL GODFREY,  
The Red Door Studio,  
Oyama, B.C.

### Parachutists On Skis Ended

Nozis' Atom Bomb Hopes

As far back as 1942 plans were started by the Combined Operations in the German-occupied heavy-water plant in Norway, which altered the course of the war. This can now be revealed.

It was, in fact, two years earlier, in May, 1940, that the Ministry of Economic Warfare were tipped that at Verdal, in Norway, the Germans had stepped up production of deuterium oxide (heavy-water), the product used to harness atomic energy, to 3,000 lbs. a year, subsequently aiming at 10,000 lbs. a year.

So in July 1942, the War Cabinet instructed Combined Ops. "that something must be done to stop it." That something could only be a raid to sabotage the plant of the Norsk Hydro Electrolysis Company.

Bar was a Norwegian who had been one of a party that had captured and sailed a Norwegian freighter into Aberdeen in March 1942. He was made a key man for "Heavy-water Ops," which were to become coded as "Swallow."

Every yard of those snow-clad mountains in the province of Telemark, where night and day the Germans drove workmen at full pitch to turn out the product that would give them the use of an atomic bomb or rocket against Britain.

Bar was dropped in Norway by parachute on March 28, 1942, and immediately made preparations for the parties that were to land later for sabotage.

### Race Against Time

It was a race between the raiders and the producers of heavy-water. Never was so much patience needed by parachute-dropped raiders. Every day they had to be hiding and making small packages of supplies—food and explosives—had to be minutely attended to in blinding snow-storms on those mountains. If one item in the program went wrong there would be no second chance.

On scurry radios came in temperatures rarely above zero centigrade the special force, named the "Linge Company" after a Norwegian soldier-hero, Captain Marcel Linge, killed in a previous Commando landing, sailed for Norway on October 15, 1942, directly right through the fierce winter blizzard on February 25, 1943, when the attack took place.

### Forty Years Ago

Thursday, October 12, 1905

Okanagan apples are selling at from \$2.75 to \$3.00 a box at Vancouver with the demand good. "Wild Blue," an Indian from the Okanagan Reserve, was found guilty as the fall assassin and he will hang January 5. The little town of Peachland is growing rapidly and a stadium is being built in front of the city.

### Fifty Years Ago

Thursday, October 10, 1905

The annual meetings of the National Council of Women of Canada were presented to a large gathering of the women of the district last week by Her Excellency, Lady Aberdeen, wife of the Governor-General. The city of Armstrong is booming as a flour mill is being constructed and a butter and cheese factory will be built in the near future. The residents of Okanagan Landing have wasted no time in getting a public school started and a teacher has been engaged already. The question of a new waterworks system in a very live one now. The cost of a new system is estimated at about \$40,000.

**Armstrong United Church  
Packed to Capacity for  
Thanksgiving Services**

**ARMSTRONG, Oct. 9.**—A large congregation was in attendance at the Harvest Thanksgiving Service held in Zion United Church on Sunday morning. The church was beautifully decorated with autumn blooms and leaves interspersed among the array of products of field and garden. Special music was rendered by the choir and an appropriate address was given by Rev. R. J. Love.

At the close of the service over 100 shared with others, seen and unseen around the world, in the World Wide Communion.

At 7:30 in the evening, Mrs. G. Griffith, O.G.I.T. leader, was in charge of the service when Jean Marshall gave an interesting account of 10 days at Camp Hurlburt and Sue Bigsby, chosen to represent Armstrong O.G.I.T. at Ocean Falls Camp, gave an outline of an experience she wished every girl could have.

**Armstrong Girls Now R.N.'s.**  
In news despatches last week were the names of Miss Ivy Louise Fement, older daughter of Mrs. Fement and the late Dr. Fement of this city and Miss Dorothy Stephens, daughter of Mrs. Stephens and the late F. Stephens of Larkin, among those who passed with first class honors in the registered nurses examinations. Miss Fement trained at the Paul's Hospital, Vancouver; Miss Stephens at Royal Inland Hospital, Kamloops.

Miss Lella Margaret Hope, only daughter of Mr. and Mrs. Albert Hope of this city, who also trained at St. Paul's Hospital, Vancouver, is among the supplementals.

Miss Evelyn Kennedy returned to Kelowna on Monday after spending the weekend with her parents, Mr. and Mrs. S. H. Kenny.

**Visiting Chaplain**  
Dr. C. G. McKenzie, Y.M.C.A. Auxiliary Service Chaplain in World War I and II, former principal of Columbian College, New Westminster, preached at the Harvest Thanksgiving Service held in Huller Hall on Sunday afternoon.

Ronald Heal, who is attending University of British Columbia, spent the weekend with his parents, Mr. and Mrs. S. R. Heal.

**Three Sets of Twins**  
On Monday of last week, October 1, a very unique birthday party was enjoyed by Mervin and Merl Carlson, 12-year-old twin sons of Mr. and Mrs. E. Carlson. The only guests were Frank and David Henley, twin sons of Mr. and Mrs. W. Henley, and John and Jim Lynn, twin sons of Mr. and Mrs. Gerald Lynn. The four guests had celebrated their twelfth birthdays in September.

Miss Frances Meynell of Vancouver is visiting her parents, Mr. and Mrs. W. Meynell.

Mrs. D. Lawson is spending a few days with friends in Kelowna.

Mrs. G. P. Marshall spent a few days over the weekend with relatives at the Coast.

Miss E. Gould, who has been a guest at the home of Mr. and Mrs. W. McMullen, left Thursday for her home at Moose Jaw.

Miss Nellie Forbes, of Vernon, was a weekend guest at the home of her parents, Mr. and Mrs. A. D. Forbes.

Sqdn. Leader Harry Sheardown with Mrs. Sheardown, left Friday to visit at the homes of the former's two brothers in Prince Rupert.

**LAC.** Kenneth Hope, who has recently returned from Overseas and spent a month's leave with his parents, left Friday for Vancouver.

Mrs. M. Middleton, who has been a guest at the home of Mr. and Mrs. M. Frandsen, returned this week to her home at Redcliffe, Alta.

Mr. and Mrs. J. Z. Parks spent the holiday weekend with their daughter.

**South Okanagan Voters' List Establishes Record**

**KELOWNA, Oct. 8.**—A record number of voters in South Okanagan constituency will be entitled to cast a ballot in the forthcoming Provincial election on October 25, it was stated this morning when Dr. C. W. Dickson, registrar of voters for this constituency, completed the compilation of the list of voters.

Total number of people on the 1945 provincial voters' list in this constituency is 8,150, an increase of 840 over the last list when 7,312 people were listed as eligible for voting in the 1941 election. The City of Kelowna itself showed an increase of 460 people on the voters' list, while West Summerland recorded a gain of 185. Four polling divisions, however, showed a slight decline over the previous enumeration. These were East Kelowna, Ellison, Peachland and Rutland.

**South American  
Missionary to Give  
Address Here Sunday**

With South America very much in the news these days, the visit to the First Baptist Church, Vernon, next Sunday evening of Miss Dorothy Franklin, a missionary from Bolivia, is attracting much attention locally.

She will be guest speaker at the evening meeting, and is expected that, as well as having a boundless store of information regarding the mission field, she will have much to say about the difficulties of maintaining "the good neighbor policy" in international relations.

The meeting will be conducted under the auspices of the local Women's Missionary Circle of which Mrs. Fred Harwood is president. It is not often that first-hand information on the protestant missionary situation in South America is available, and a good attendance is expected at Sunday evening's meeting.

**"Neighborly  
News" on Air  
Monday Nights**

"Neighborly News," the popular Sunday morning broadcast, presented by the CBC from its Vancouver studios in co-operation with the weekly press of British Columbia, moves to a new time this week and will be heard in future on Monday nights at 10.15, commencing October 15.

Les Way, former editor and publisher of the Powell River News, will be guest editor for the next two broadcasts of "Neighborly News." Mr. Way is retiring president of the B.C. division of the Canadian Weekly Newspapers Association.

**Earle Kelly Retires**  
The CBC has presented "Neighborly News" in co-operation with the Association for a number of years. The regular editor until recently has been Earle Kelly, better known to radio listeners as "Mr. Good Evening," who has had to relinquish his duties for reason of health.

At CBC regional offices in Vancouver, CBC chief executive Ira Dilworth expressed the hope that, with the change to a new time, the broadcast will attract an even larger listening audience. It will be heard immediately following the 10 o'clock news on Monday nights over B.C. stations of the CBC Trans-Canada network, including CBR, Vancouver, CFBJ, Kamloops, CJAT, Trail, CKLN, Nelson, and CKOV Kelowna.

**Cadets Assist  
Clothing Drive  
In Peachland**

**PEACHLAND, Oct. 9.**—Mrs. C. G. Helgway has been appointed chairman of the national clothing collection for Peachland. Members of different associations on her committee are Mrs. A. E. Baptist, Mrs. F. Topham, sr., Mrs. M. E. Caldwell, Mrs. J. P. Long, The Cadets, Mrs. J. P. Long, The Cadets, Mrs. A. West, Mrs. C. Whinton, Miss Annie Topham, Mrs. George Long and Mrs. A. Johnson.

Two more local men returned home last week. Cpl. T. McLaughlin, who docked aboard the Louis Pasteur and arrived at the home of his parents, Mr. and Mrs. T. McLaughlin Saturday, Cpl. McLaughlin was overseas four years in the 8th Arm'd Regt. (B.C.D.'s) and was with his regiment through the campaigns in Italy and Holland. Sgt. D. A. K. Fulk returned home by plane by way of Greenland and Newfoundland, the trip taking 26 hours. He has been overseas since June 1942 with the Signal Corps. He was with the Corps through France, Belgium, Germany and Holland and is spending his seven days leave at the home of his parents, Mr. and Mrs. L. B. Fulk.

The Peachland Cadets have started a new term with a bang; the boys under the leadership of their officer, Lieut. Harry Divlund, with the girls under their leader, Lieutenant Mildred Johnson. The boys are concentrating on the Johnson method of coaching which is intended to make expert marksmen of them.

Three parades are already on their itinerary, October 7, they paraded to the United Church for the Thanksgiving service, and later to the Anglican and Baptist Churches for similar services. The boys are putting into practice knowledge gained in Cadet camp last summer. The Chief Instructor, Lieutenant P. O. Gerrie gained valuable information from the Lieutenant to Captains' Course taken at Chilliwack. The Cadet Corps undertook to raise necessary funds for a major parade and the school to date have raised approximately \$200.

An exceptionally large shipment of articles was recently sent out by the Bombed Briton's Club, besides large quantities of infants, children's, adults' and seniors' goods were included. Much time and willing labor was expended on the shipment by club members.

**November 12  
B.C. Holiday**

It has been announced that Monday, November 12 will be a public holiday throughout British Columbia, as Armistice Day, November 11, falls this year on a Sunday.

**Car Accident  
Brings Fine**

A District Court case Tuesday morning was the aftermath of a car accident on the Armstrong road at about 12:30 Sunday morning. Isaac Fred Bickert pleaded guilty to a charge of dangerous driving and was fined \$20 and court costs.

Bickert was driving toward Vernon after a dance in Armstrong when his car collided head-on with another car which was on its way to Armstrong.

Constable P. Q. Drysdale, who investigated the case, told the court that the accident occurred about four miles north of this city. The car driven by Bickert was about four or five feet to the wrong side of the road when it struck the other. The other car had pulled partially off the paved section of the road in order to avoid the accident.

Neither car had been travelling very fast but the damage to both was considerable.

Ted Johnson, a passenger in the car driven by Bickert, was badly cut about the head in the accident but no one else was injured.

J. Gordon Robison, of B.C., for whom the accused had worked before he joined the army and went overseas, spoke on Bickert's behalf. Gordon Lindsay appeared for the defence. Sgt. C. W. A. Barwis, prosecuted.

Turkey is preparing to buy 40 cargo vessels.

**Vote Social Credit  
FOR GOOD GOVERNMENT**

Alberta has re-elected a Social Credit Government for the third time . . . showing people in that province have confidence in a party that has given them good administration. They feel that a Coalition or C.C.F. Government would not do the job as well.

Let us get started on the road leading to better old age pensions — better roads — better education for our children — better social services and a better life for all with leisure to enjoy it.

## Thanksgiving Climaxed at Enderby by St. George's Harvest Home Gathering

ENDERBY, Oct. 8.—High in their praise of an enjoyable evening were congregation members and friends of St. George's Church who attended the Harvest Home social in the Parish Hall on Monday, October 1. The social followed Harvest Festival services held in the Church on September 31. A congregation committee in charge of Mr. and Mrs. Harold Bawtree had arranged various contests and games for the evening's entertainment, which evoked much fun. The games were especially devised for harvest home, as, for example, one which consisted of paper fish and leaves which were blown from side to side of the hall by the contestants. The winners of this were Tony Foster and K. Samol. Guessing contests followed in which Mrs. V. King-Baker came out victorious.

Other winners were Mrs. Roberts and Mrs. Stephens. The highlight of the evening was the assembly divided into sides and a keen competition of indoor hockey took place.

Rev. F. W. Sharman gave an address of welcome to the visitors, laying special stress on the pleasure experienced in welcoming so many returned veterans to the parish.

Three out of town visitors attended the affair, Mr. and Mrs. Warren of Langford, and Miss Marjorie Bunn of Vancouver. On Friday evening Mrs. F. W. Sharman, assisted by Mrs. F. Brash, sponsored a social evening for the younger members of the congregation in the Parish Hall. Games and dancing were enjoyed, after which refreshments were served.

Mr. and Mrs. E. Coulter returned the beginning of the week from Chilliwack where they have been visiting with relatives and friends for a few days. On the trip they were accompanied by their nephew, Cecil Coulter, who has been visiting in Vancouver and on the Island for several months.

Miss Bunn of Vancouver is the guest of her sister, Mrs. Bert Harsanyi, this week. She will visit in Enderby and district before returning to the Coast.

Mrs. Harry Chomat arrived from Revelstoke last weekend to visit for a few days with Mr. and Mrs. C. E. McMahon. Mrs. Chomat is well known here, as she resided in Enderby for several years when her husband was employed here as C.P.R. station agent. Mrs. McMahon and Mrs. Chomat spent Friday in Vernon, and upon their return, they were accompanied by Mrs. E. Quenell, of the Vernon Elementary School staff, who spent Thanksgiving weekend with her parents. On Sunday Mr. and Mrs. McMahon took Mrs. Chomat to Salmon Arm where she took the train for Revelstoke. Mrs. McMahon entertained in honor of her guest on Saturday.

Old Time Residents Visit Here  
Mr. and Mrs. Jack Ulas continued on to Kelowna this week after spending a few days in Enderby visiting friends. It has been several years since Mr. and Mrs. Ulas have visited in the Okanagan. Their home is in Vancouver.

Mrs. W. Allum, who has been in Vancouver for several months, returned to Enderby at the end of the week. She was accompanied by her sister, Mrs. Pierce, who has also been visiting at the Coast. After a short stay here, Mrs. Pierce will return to her home in New York.

Members of the Sir Douglas Haig Chapter, I.O.D.E., are very gratified with the co-operation given them in connection with the seed catalog campaign. On Wednesday Mrs. Sparrow, assisted by Mrs. Logan, spent the afternoon at the Parish Hall where they sorted and packed several hundred pounds of clothing to be sent to Europe. The committee in charge was very appreciative of the excellent assortment of clothes. Every article was in the best of condition. Contributions are an example of the spirit felt by local residents toward people less fortunate, state committee members this week. The ladies will meet one more day, to be announced later, to clean up all the remaining articles which arrive so as to have them ready for shipment on October 20. All articles are packed into boxes, the minimum weight to be 25 pounds, and not over 50 pounds.

Mrs. Trump has as her guests this week her brother-in-law and sister, Mr. and Mrs. Warren of Langford, who are spending a few days holiday in Enderby, before returning to their home at the Coast.

A party of seven hunters left Enderby early on Wednesday morning last week to the Golden district. They were: T.

Hawry, Donald Strickland, Boly Hill and his son Bud, Morris Polson, A. Knopp and S. Roberts. Mr. Hawry's truck took all supplies and sleeping bags. The party were enthused with the settled weather forecast when they left, which has lasted throughout the trip.

Mrs. Abercrombie, on the Enderby Fortune Public staff, spent the weekend at her home in Canoe.

The Enderby General Hospital committee met on Tuesday afternoon in regular monthly session in the Council Chamber. The meeting was well attended. The buying committee will purchase towels for hospital requirements. It was decided to have an extra sewing "bee" this month, as there is a good deal of new material to be made up. The monthly "bee" will be held at the home of Mrs. M. M. Peel, with the extra "bee" at Mrs. H. Walker's home on Friday. Final arrangements for the New Year's Eve dance were left over until the November meeting. During the past few years, owing to the scarcity of orchestras, it has not been possible for the Auxiliary to hold their annual dance on the last day of the year, and a Boxing Day dance has been held instead. It is hoped this year to stage the event on the usual date, and it is the Auxiliary's objective to raise sufficient money from the affair to obviate the necessity of sponsoring any other money making schemes for the year 1946.

The Auxiliary will hold a tea at the end of the month. A guest speaker will be secured. Mrs. J. Kope is in charge of the tea, with Mrs. V. King-Baker, Mrs. B. H. Morris and Mrs. J. L. King tea hostesses.

Friends of LAC Robert "Bob" Johnson have been enjoying a visit with him this week. He attended the Fortune School here before moving to Vernon. He was always active in school sports and brought many trophies and awards to his home town. He is continuing his physical education work.

Public Spirited Visitor

Cecil Coulter left on Friday of last week for Kelowna. He has become popular locally during his stay in the district, and took an active part in a number of enterprises.

Oliver Harvey, who has been in Vancouver for a few days where he received his discharge from the R.C.A.F., returned to Enderby this week. Mr. Harvey has been stationed at Ottawa, but latterly has been making his home with his mother and brother Mrs. E. E. Harvey and John Harvey of Enderby.

Mr. and Mrs. P. S. Rouleau are making final arrangements this week to move from their former home above the Rouleau Printing Press into the house recently purchased by Mrs. Rouleau's parents, Mr. and Mrs. Dale, from Jack Hull on Evergreen Avenue.

Mr. and Mrs. A. Thomas entertained Mr. and Mrs. B. Spitzmeser of Kelowna last weekend over Thanksgiving. They were accompanied by the latter's mother.

Mr. and Mrs. C. Reece of Los Angeles are guests of Mr. and Mrs. R. Blackburn, who have recently moved from their North Enderby home into town, where they are building a new house. Mr. and Mrs. Reece resided here several years ago. They will leave at the end of the week for their home in California.

Mrs. S. H. Speers entertained a number of friends at her home on Friday honoring her mother, Mrs. S. Polson, sr., who has been visiting in Enderby and district for several weeks.

## Hope-Princeton Highway Contract To be Let Soon

PENTICTON, Oct. 5.—Contracts for the long-deferred completion of the Hope-Princeton road will be let soon.

Tenders have been opened in Victoria for the \$2,600,000 project by Herbert Anscomb, minister of public works. It is hoped that actual work will commence before this fall is out. When completed, the Okanagan and the Southern Interior will have its long sought southern connection with the Coast which will put Penticton just about six hours driving time from Vancouver. For over 30 years interests in the Interior have been clamoring for the completion of the route.

The contracts for the construction of the 33-mile highway will be awarded by the department as soon as it has studied the bids and the machinery the firms have available for the project.

The construction job, the second large project for which tenders have been called recently, was divided into two sections.

The first is known as Section "A" and is for construction of the road from Hope to Skagit River crossing, Mile 0 to Mile 24.3.

The second section, Section "B", is from the Skagit River crossing to Princeton, Mile 24.3 to Mile 33.

Field Marshall Montgomery was a recent visitor at Imperial Headquarters of the Boy Scouts in London. The two-day visit was held relative to starting the Scout Movement in Germany.

Light, radio, X-rays and other electric-magnetic waves are caused by atomic disturbances.

## Lifetime Westwold Resident Dies at 68

KAMLOOPS, Oct. 5.—A widely known lifetime resident of Westwold died in Royal Inland Hospital September 27, in the person of Mrs. Annie King, widow of the late Frederick William King. Born at Westwold 68 years ago, the daughter of Mr. and Mrs. Henry Ingram, Mrs. King had passed her entire life in the district.

She was laid to rest at Westwold on October 1, after rites in St. Luke's Anglican Church, conducted by Rev. C. W. Kirksey of Chase.

The late Mrs. King is mourned by a sister, Mrs. Ella McEwan of Monte Lake; by four daughters, one of whom is Mrs. Don Allen of Falkland, and by three sons, Theodore King of Armstrong, Edwin King of Westwold and Albert King of Chase. There are also 21 grandchildren and nine great grandchildren.

## Haggis Permitted On St. Andrew's Day

This year, St. Andrew's day falls on a Friday, November 30.

In order that the celebration shall be true to tradition, Prices Board has ruled that haggis may be served on dinners on that day. Quota users requesting permission to serve haggis will be granted the necessary authority by the ration branch.

## "The Respected Name of Canada"

When Hon. J. L. Halsey made his recent speech in the House of Commons on the necessity for meat rationing he closed his remarks with a tribute to Canada's good name. He said:

"This nation should not be a quitter. This nation should see the job through to the end. It cannot be said that we have seen the job through to the end when conditions such as I have described exist in so many of the liberated countries of Europe. I think our people, perhaps the majority of our people, are disposed to look at it in that way. When we act in character, when we keep our word, when we fulfil our obligations, when we act with humaneness and charity to other countries, when we help not only Canada but the world to some extent to get on its feet, I am sure that we are really adding to what I may call the national heritage.

"We are giving ourselves and our children and our children's children just cause to have pride in the fact that they are Canadians. We are making the name of Canada respected and honored."

Queen Wilhelmina, of the Netherlands, occupies the throne since the death of her father, King William III, in 1890.

## Thanksgiving Midnight Matinee Draws Big Crowd

The Thanksgiving midnight matinee at the Capitol Theatre which opened at 1 minute past 12 Sunday night, was almost a sell-out. The queue for tickets before the box office opened stretched well past the National Hotel.

The feature picture was the film adaptation of the play "Junior Miss." This play ran for two years on Broadway as well as having an extended run in London's West End.

The prices board has announced the lifting of restrictions on the sale and use of DDT, nicotine and rotenone.

# A New Era of PROGRESS for British Columbia

The vast reconstruction programme of the Coalition Government will build a greater British Columbia

Tens of thousands of workers will be needed in the carrying out of this great, sound and comprehensive plan.

New modern highways — across the Province and to the North — will be built. Our present highways and side-roads will be rebuilt, extended and modernized. British Columbia's magnificent natural parks will be developed for the enjoyment of her people.

Millions of dollars will be used for much needed new and modern public buildings and for the enlargement of the University.

THE PRODUCTION OF OUR GREAT FOREST INDUSTRY WILL BE ASSURED IN PERPETUITY.

RURAL ELECTRIFICATION WILL BRING ELECTRIC LIGHT AND ELECTRIC APPLIANCES TO EVERY HOME AND FARM PRACTICABLE IN THE PROVINCE. THE DEVELOPMENT OF ELECTRICAL POWER WILL BRING NEW INDUSTRIES AND NEW EMPLOYMENT.

By the fulfilment of this programme 200,000 men and women -- wage earners in industry and on the farm -- will be assured a higher standard of living.

Make certain that this great modernizing, prosperity-building programme is carried out.

On Election Day, October 25th

# Vote COALITION
